Activity Code	Activity Name	Description	Licence Type	Activity Group
291503	Access Cradles Manufacturing	Includes manufacturing suspended access cradles for cleaning and maintaining multi-storey buildings, the process involves cutting and fixing steel and aluminium bars and sections to fabricate the components, including roof mounted davit jibs, gantries, trolley units and monorails, as well as fixing electrical motors and safety equipment.	Industrial	Equipment and engines manufacturing
242209	Adhesive & Paper Slitting	Includes using slitting machines to cut large rolls of adhesives and papers into narrower rolls.	Industrial	Manufacturing of chemicals
242205	Adhesives Manufacturing	Includes manufacturing adhesive materials for sticking paper, glass, metal, plastic or wood pieces, to use in printing, lamination, packaging, in construction for fixing ceramic, slabs and maquette, or wall-paper...etc, also producing adhesive tapes in paper, plastic, fabrics or others.	Industrial	Manufacturing of chemicals
514917	Adhesives Trading	Includes reselling of glass, metal, plastic, wood fixing adhesive, packs, boxes, carton boxes closing tapes, paper, tiles, flooring and cladding adhesives and tapes, and any other material not classified under glue and gum.	Commercial	Chemicals trading
743002	Advertisement Designing & Producing	Includes firms which design commercials and produce the same on audio or video tapes, paintings and photographs for newspapers and magazines, or wall posters.	Consulting	Advertising
513908	Advertising Requisites Trading	Includes reselling indoor and outdoor advertising requisites like boards, electric and non-electric signs as well as promotional gifts and similar items.	Commercial	Advertising
743001	Advertising Researches & Consultancies	Includes providing advertising organizations advice and assistance on the creation of advertising campaigns and placement of such advertising in periodicals in order to encourage and persuade consumer behavior with respect to a commercial offering, also to employing different methodologies of research that works to improve the effectiveness and efficiency of advertising, such firms are not allowed to conduct field questionnaire before getting approval from the competent authority.	Consulting	Consultancy -D- management, information and marketing
242406	Agarwood & Incense Manufacturing	Includes manufacturing agarwood, oriental perfumes and incense.	Industrial	Manufacturing of chemicals
513959	Agarwood & Incense Trading	Includes reselling agarwood, oriental perfumes, various types of incense, as well as bottles, empty boxes, vaporizers...etc.	Commercial	Ready made garments group
515902	Agricultural Equipment & Accessories Trading	Includes reselling of agricultural equipment and machinery used in farms, orchards and gardens to cut grass and small trees and roots, pesticides sprayers as well as other attachments to enable for different uses.	Commercial	Agricultural
515903	Agricultural Equipment & Machinery Spare Parts Trading	Includes reselling the spare parts of the agricultural machinery for soil preparation, planting or fertilizing, ploughing, manure spreading, seeding, grass cutting, sorters, milkers, pesticides sprayers, poultry and bee-keeping.	Commercial	Agricultural
741423	Agricultural Research & Consultancy	Includes firms providing consultancy and research related to agricultural economic feasibility, land reclamation and irrigation, agricultural project development, animal poultry farming.	Consulting	Consultancy -A- Agriculture and Soil
514207	Agricultural Tools Trading	Includes reselling gardening and nurseling tools, including soil movers, trees cutters, planters, palm pollination, irrigation hoses, flower pots, fruit baskets, also, wax cells, beekeepers cloths, apiary accessories, as well as poultry and livestock farms tools.	Commercial	Agricultural
515901	Agricultural Tractors & Machinery Trading	Includes reselling of agricultural tractors and machinery, ploughs, seeding devices, and harvesters, and other attachments to enable for different uses.	Commercial	Agricultural

Activity Code	Activity Name	Description	Licence Type	Activity Group
292101	Agricultural Tractors Manufacturing	Includes manufacturing tractors and related agricultural machinery for different operations such as ploughs, seeders, harvesters, planters, threshers, sorters, manure spreaders and soil preparation.	Industrial	Equipment and engines manufacturing
513921	Aircondition & Refrigeration Spare Parts Trading	Includes reselling spare parts of air-conditioning systems, central, window or split units as well as coolers, cold storage compartments, central water cooling and other refrigeration equipment.	Commercial	Not Grouped
515916	Air-Condition Trading	Includes reselling central and window air-conditions equipment as well as the split units, whether or not linked with general central air-conditioning system.	Commercial	Mechanical & engineering equipment trading
291917	Air-Conditioning Units Assembling	Includes assembling unitary and packaged terminal units usually placed in a window or wall opening with the evaporative unit on the interior and the condensing unit on the exterior, and they allow the cooling by drawing the heat from the room and discharged to the environment.	Industrial	Equipment and engines manufacturing
369909	Albums Manufacturing	Includes manufacturing photograph albums, whether made of plastic, cardboard or other materials.	Industrial	Personal requisities manufacturing
272001	Aluminium Smelter	Includes extracting pure aluminum from its primary ores, such as bauxite or alumina, smelting and fabricating in blocks, cylinders or ingots in a way enabling reprocessing by means of traction or rolling to produce aluminum products.	Industrial	Casting of steel and iron
289102	Aluminum Extrusion	Includes cold and hot extrusion to pure aluminum blocks or cylinders to produce aluminum sections, rods, tubes, pipes, wire cables and others usable in making metallic construction products.	Industrial	Casting of steel and iron
289917	Aluminum Foils Manufacturing	Includes manufacturing the heat conductor and resistant aluminum foils for meat and poultry roasting and for food packaging.	Industrial	Other metal industries
289104	Aluminum powder Production	Includes extracting aluminium powder from its basic ores by grinding to use in industrial production or metal coating.	Industrial	Casting of steel and iron
289103	Aluminum Rolling	Includes cold and hot rolling operationsto pure aluminum blocks or cylinders to produce aluminum panels and plates, breaking aluminum panels in zigzag order to use them for various industrial purposes or in constructions.	Industrial	Casting of steel and iron
369403	Amusement Centers Equipment Manufacturing	Includes manufacturing amusement centers' equipment such as billiard tables, electronics and manual games devices etc.	Industrial	Appliances and machinery manufacturing
153302	Animal & Birds Feed Manufacturing	Includes producing domestic animals and birds canned or dried feed, such as grains, seeds, meats, fruits. It also includes health feed like vitamins and tonics, other than veterinary medicines.	Industrial	Fodder and fertilizers manufacturing
515921	Animal & Poultry Farms Equipment Trading	Includes reselling cow, cattle and sheep, or chicken, ducks, pigeons breeding farms machinery and equipment, as well as other birds and animals bred for trading and processing their products.	Commercial	Mechanical & engineering equipment trading

Activity Code	Activity Name	Description	Licence Type	Activity Group
852005	Animal Etiquette & Behavior Consultant	Includes veterinary clinics involved in animal behavior consultancy for pet and farm animals, to solve behavior problems, such as, aggression, anxiety, fears and phobias. Treating these problems will help animal owners to have better relations with them and improve the productivity in the case of farm animals, as well as reducing the risks of injury, it also involves animal etiquette which offers an approach to the positive reinforcement methods of training in all the activities that is provided for the animal.	Consulting	Veterinary clinic
512118	Animal Feed Trading	Includes reselling animals and birds food which can be canned or dried such as grains, seeds, meats, fruits. It also includes health food like vitamins and tonics other than veterinary medicines.	Commercial	Fodders & animal food trading
512120	Animal Fodder Supplements Trading	Includes reselling supplements added to at processing fodder, whether of vegetal or animal origin, such as vitamins, amino acids and sulfates.	Commercial	Fodders & animal food trading
151402	Animal Oil & Fat Manufacturing	Includes extracting oil and fat out of animal dairy as well as out of animals and fish and their fats and bones (artificial ghee).	Industrial	Meat processing
289915	Antennas Manufacturing	Includes manufacturing the electric devices which convert electric power into radio waves to use in radio and television broadcasting, telecommunication receivers, wireless computer network, radar.	Industrial	Appliances and machinery manufacturing
513922	Antennas Trading	Includes reselling the electric devices which convert electric power into radio waves to use in radio and television broadcasting, telecommunication receivers, wireless computer network, radar.	Commercial	Electronics group
515973	Aquarium & Display Cases Trading	Includes reselling aquariums to display fish and marine animals in public places, in restaurants serve sea food, in shops sell living fishes and marine animals, also, equipment for preserving chilled for selling.	Commercial	Mechanical & engineering equipment trading
181008	Arabic Gown Manufacturing	Includes manufacturing the wear over men gowns from knitted and crocheted fabrics.	Industrial	Manufacturing of garments and rugs
513108	Arabwear Trading	Includes reselling of Arab ready made wear, such as dishdashas, ghotra, bishts, oqal and caps, also, women traditional cloak (aba) head covers, veils.	Commercial	Ready made garments group
742112	Archeological Restoration & Conservation Engineering Consultancy	Includes providing services and consultancies related to conservation and preservation of archeological materials by using the method of examination, documentation, treatment, protection to keep that property in as close to its original condition as possible.	Consulting	Other engineering services
369914	Architectural , Advertising & Decorative Models Manufacturing	Includes preparing small physical models of buildings or engineering projects or advertising and decorative items, used to visualize how the finished work will look like after constructing or making.	Industrial	Block and building stones industry
742170	Architectural Design Consultancy	Includes firms engaged in providing consultancies and services related to architectural engineering, including preparing preliminary and final engineering and technical studies for construction projects as well as interior design and landscaping.	Consulting	Other engineering services
742141	Architectural Prospective Drawings Consultancy	Includes firms specialized in offering architectural prospective drawings services for all buildings and civil projects, showing relations with other standing, neighboring projects, buildings or elevations and natural scenery. These services also include drawing up horizontal and vertical sections of these buildings and projects.	Consulting	Other engineering services

Activity Code	Activity Name	Description	Licence Type	Activity Group
513936	Artificial Flowers & Plants Trading	Includes reselling artificial flowers and plants made of fibers, glass, ceramic and metal, also, flowers arranging.	Commercial	Ready made garments group
269910	Artificial Marble Manufacturing	Includes manufacturing artificial marble by heating the mixture of marble dust, acrylic or polyester resin with pigments, and then cut in sheets or shapes and sanded on one or both sides to use in different construction applications.	Industrial	Block and building stones industry
232006	Asphalt & Paving Materials Manufacturing	Includes manufacturing asphalt and paving materials derived from petroleum distillation for using in road paving.	Industrial	Manufacture of petroleum products
519012	Astronomy Equipment Trading	Includes reselling telescopes and magnifying equipment in different sizes and magnitudes to observe astronomical phenomena, in addition to measuring instruments to indicate directions, geographical locations, celestial bodies distances calculations..etc.	Commercial	Mechanical & engineering equipment trading
252009	Audio Cassettes Manufacturing	Includes manufacturing blank magnetic and optical recording media for audio materials recording, including tapes, cassettes, diskettes, discs.	Industrial	Plastic industries
513914	Audio-Visual, Recording Equipment & Accessories Trading	Includes reselling audio-visual electronic equipment, involving radio sets, gramophones, loud-speakers television and video sets, cinematography projectors, slides projectors, instant translators respectively, also, cinematography and television photographing systems, as well as other non-commercial. Equipment used for photographing and recording inside studios or for commercial purposes are classified under Class 5150.	Commercial	Electronics group
513969	Authentic Antiques, Artefacts & Artworks Trading	Includes firms trade in genuine antiques, artifacts and original artworks,, including paintings, drawings, sculptures, photographs, handicraft works, masterworks, and old antique cameras and accessories. Also includes promotional activities for these works such as advertising, public relations and events through a licensed media provider.	Commercial	Ready made garments group
343004	Auto Accessories Manufacturing	Includes manufacturing of accessories and attachments fitted to motor vehicles in order to modify the external outline of the car, such as bumpers, air deflectors, additional tyre covers, baggage support base and other accessories made of metals, fiber glass or reinforced plastic...etc.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
503002	Auto Accessories Trading	Includes the reselling accessories fitted in cars and vehicles such as, additional bumpers to adjust exterior, air deflectors to increase the cars efficiency, baggage loading racks to diversify the cars use, as well as sun and rain protectors and small trailers, also, devices fitted in public service vehicles such as police, ambulances and fire engines.	Commercial	Auto spare parts trading
313005	Auto Electrical Wires Manufacturing	Includes manufacturing the wire that connect motor vehicle electrical equipment.	Industrial	Pipes and wires manufacturing
292102	Auto Irrigation Devices Manufacturing	Includes manufacturing equipment and accessories used in the artificial application of water to the land or soil where the natural rainfall was insufficient to support crops, it involves pivots for overhead irrigation, pumps, sprinklers, drippers, control and automation equipment.	Industrial	Equipment and engines manufacturing
503001	Auto Spare Parts & Components Trading	Includes reselling spare parts and to use fully or partially in repairing and maintaining motor vehicles, buses, trucks and trailers and other relevant requisites including oils, detergents, paints .. etc..	Commercial	Auto spare parts trading
172109	Auto Tarpaulin Tailoring	Includes sewing tarpaulin using strong, flexible, water-resistant or waterproof material to use as loose covers for cars in order to protect from wind, rain, or sunlight.	Industrial	Combing and upholstery

Activity Code	Activity Name	Description	Licence Type	Activity Group
172105	Auto Upholstery Manufacturing	Includes the manufacture of all kinds of auto-upholstery pieces such as seats or steering wheel and gear covers...etc. It also includes the manufacture of mats and similar products made of fabric, leather, plastic, or other natural or artificial fibers, which are prepared by means of cutting and tailoring.	Industrial	Manufacture of mats and rugs
515937	Auto Washing Equipment Trading	Includes reselling automatic and manual car cleaning and washing equipment, involving fully automatic tunnel car wash equipment, high press automatic car wash equipment, rollover car wash equipment, mobile equipment, vacuum cleaners, foamers, dryers.	Commercial	Mechanical & engineering equipment trading
291909	Automatic Gates & Barriers Manufacturing	Includes manufacturing and assembling remotely controlled gates and barriers to control entry and exit of cars in residential building and private or public parks, it includes making aluminium and steel gates and barriers, assembling motors, remote control devices and transmission and receivers.	Industrial	Equipment and engines manufacturing
515956	Automatic Gates & Barriers Trading	Includes reselling automatic gates opened and closed doors by remote controls, as well as automatic barriers regulating entrance and exit in private and public parkings.	Commercial	Mechanical & engineering equipment trading
341001	Automobile Assembly	Includes manufacturing of assembled motor vehicles for transporting passengers, mainly sedans, sports cars and buses, the process involves the assembling using parts and components fully manufactured outside the factory or partly inside	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
742159	Automobile Engineering Consultancy	Includes providing services and consultancies related to vehicle engineering which incorporates the elements of design, mechanical, electrical, safety, fuel economy, noise, vibration, and harshness, performance.	Consulting	Other engineering services
341002	Automobile Outfitting	Includes workshop specialized in tuning and modifying the exterior or the interior of the automobiles or vehicles in order to personalize the characteristics of a vehicle to the owners preference, as well as to provide better fuel economy, produce more power, better handling, the exterior includes changing characteristics of the vehicle via side skirts, front and rear bumpers, spoilers, interior involves the audio systems, air conditioning and soundproofing	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
369915	Baby Care Products Manufacturing	Includes manufacturing plastic and rubber baby care products, such as, breastfeeding accessories, nursing accessories, cleaning and sterilizers, skin care accessories, pacifiers and teethers, health care and temperature readers.	Industrial	Manufacturing of paper and paper products
513963	Baby Care Requisites Trading	Includes reselling of children and new-born cradles, chairs, beds, walkers, prams, baskets, linen and covers, toys, creams, lotions and oil and mothers requisites.	Commercial	Medicines trading
154910	Baby Food Manufacturing	Includes the manufacture of baby food such as liquid or dried powdered milk, beverages and juices, biscuits, fruit paste and others.	Industrial	Food industries
512202	Baby Food Trading	Includes reselling baby food, such as liquid or powdered milk, beverages, juices and other dried or liquid foods.	Commercial	Foodstuff trading
513109	Babywear Trading	Includes reselling of children's swaddling clothes, nappies, night wear, party clothes, shirts, trousers and others.	Commercial	Ready made garments group

Activity Code	Activity Name	Description	Licence Type	Activity Group
515926	Bakeries & Flour Mills Equipment Trading	Includes manufacturing machinery and equipment to produce flour such as grinding mills, feeders, sifters, bran cleaners, blenders, rice hullers, pea splitters, also, bakery ovens, dough mixers and dividers, molders, slicers, cake depositors.	Commercial	Mechanical & engineering equipment trading
202902	Bamboo ,Cane & Wicker Products Manufacturing	Includes the manufacture of various products made of cane, branches, bamboo and fronds, other than furniture or containers made of said.	Industrial	Manufacturing of wood, wood products and Furniture
513925	Bamboo, Cane & Wicker Products Trading	Includes reselling of household mats, rugs, baskets made of bamboo, cane, wicker and other, furniture of the same is not involved.	Commercial	Furnitures trading
289909	Barbed Wire Manufacturing	Includes manufacturing steel barbed wire for fencing public and private property.	Industrial	Cotton & metal nets & ropes manufacturing
242906	Batteries Distilled Water Manufacturing	Includes manufacturing solutions used to activate the reaction or to maintain the balance of acid intensity in batteries used in generating electric power in vehicles, engines or storing energy or for other purposes.	Industrial	Manufacturing of chemicals
503006	Batteries Trading	Includes reselling power generation and storage batteries for cars, boats, motorcycles and other machinery.	Commercial	Auto spare parts trading
291301	Bearings & Gears Manufacturing	Includes manufacturing bearings, metal ball-bearing, cog-wheels, transmission gears and all similar gearboxes and differential gears fabricating units in vehicle engines and driving equipment.	Industrial	Equipment and engines manufacturing
515919	Beauty & Personal Care Equipment Trading	Includes reselling equipment and supplies used in beauty and hair saloons, rehabilitation and personal care centers, also, health oriented equipment like pure and flavoured oxygen generators, relaxation and message equipment like chairs, beds, steam and sauna rooms, other similar ones unclassified as medical or sport equipment.	Commercial	Mechanical & engineering equipment trading
369904	Beauty and Personal Care Requisites Manufacturing	Includes manufacturing body care requisites and cleaning such as cotton buds, tooth brushes and picks, dental floss, combs, hair brushes, nail and hair cutters and other requisites apart from pharmaceuticals and cosmetics, also, some beautification and personal care items.	Industrial	Personal requisities manufacturing
513962	Beauty and Personal Care Requisites Trading	Includes reselling of personal beauty treatment scissors ( hair and nails), shaving articles and brushes( hear, teeth and shaving), combs, small mirrors, rasps, wigs, hair dryers and shaving devices (except cosmetics which are classified in No. 5132-06)	Commercial	Medicines trading
172102	Bed Sheets & Household Linen Manufacturing	Includes the process of cutting and tailoring sheets to manufacture bed covers, pillow cases, blankets, sheets and curtains. It also includes the manufacture of tablecloths and others.	Industrial	Manufacture of mats and rugs
513952	Bicycles & Spare Parts Trading	Includes reselling the two or three wheeled bicycles used for recreation, transportation, racing and as childrens toys.	Commercial	Sports equipment trading
359200	Bicycles Manufacturing	Includes manufacturing the two or three wheeled bicycles used for recreation, transportation, racing and for children use.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
154103	Biscuit Manufacturing	Includes manufacturing the salted, sweetened and flavored biscuits.	Industrial	Bread manufacturing
515201	Blank Cassettes Trading	Includes reselling blank video cassettes, audio cassettes, cinematography tapes, and other tapes used for photographing, copying or recording.	Commercial	Electronics group

# RAK FTZ BUSINESS ACTIVITY LIST

Activity Code	Activity Name	Description	Licence Type	Activity Group
513102	Blankets, Towels & Linens Trading	Includes reselling household of blankets and linen, including bedcovers, furniture covers, bedsheets, towels, pillows, cushions and covers and all the other similar products.	Commercial	Ready made garments group
515975	Blast Furnaces & Smelters Trading	Includes reselling blast furnaces used for smelting iron ores to produce semi-finished products.	Commercial	Mechanical & engineering equipment trading
289936	Blasting & Painting Rooms Manufacturing	Includes manufacturing blasting and painting facility of anti-flame and heat-insulation steel skin panel and aluminum roof panel and fitted with systems to allow for air circulation, purification, heating, control, in order to provide a controlled environment in which blast cleaning and painting can be carried out.	Industrial	Metal containers & boxes manufacturing
242407	Bleaching Products Manufacturing	Includes manufacturing chlorine-based bleaches to use as household chemicals to whiten clothes and remove stains.	Industrial	Manufacturing of chemicals
351202	Boats Building	Includes firms whose activities are mainly related to the manufacture of various fishing or water sports boat hulls, as well as small and medium size yachts, made of metals, fiber glass, or other materials excluding wood, also, the preparation of boats and the installation of mechanical and electrical equipment and all appliances to render them operational.	Industrial	Ship building and repairing
361014	Boats Upholstery	Includes providing ships and boats seats with high-resiliency and high-density materials with a thin film of plastic over in order to keep out water.	Industrial	Combing and upholstery
281204	Boilers Manufacturing	Includes manufacturing steam boilers for centrally heating water in residential compounds, or to produce steam in central kitchens or laundries .	Industrial	Equipment and engines manufacturing
289902	Bolts, Nuts, Screws & Nails Manufacturing	Includes manufacturing holding tools such as nails, bolts, screws , pins and others, as well as requisites, such as nuts, fixing rings and anti-friction pads.	Industrial	steel tool manufacturing
514206	Bolts, Nuts, Screws & Nails Trading	Includes reselling of different types of screws, nuts, nails, spikes, needles, tensioners, tighteners antifrictioners, gasket rings and similar requisites, also includes chains, rings and anchoring hooks for moorages and ports.	Commercial	Building materials trading
343005	Brake Pads Manufacturing	Includes manufacturing pads used to resist friction in cars and trucks brake systems.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
512215	Bread & Bakery Products Trading	Includes reselling of different types of bread and bakery products such as cakes, biscuits and toasted bread.	Commercial	Foodstuff trading
154101	Bread Manufacturing	Includes preparing wide variety of types, shapes and sizes of bread by baking a dough of flour and water, it involves the brands with natural additives such as fruits and nuts and fats to improve flavor and color.	Industrial	Bread manufacturing
515924	Bricks Making Equipment Trading	Includes reselling bricks manufacturing equipment and machinery , including sand bricks, red bricks and gypsum bricks, whether they are fixed or portable equipment.	Commercial	Mechanical & engineering equipment trading
269502	Bricks Manufacturing	Includes the manufacture of molded or unmolded bricks made of cement mixed with sand or sandstone.	Industrial	Block and building stones industry
514302	Bricks Trading	Includes reselling of bricks used in building and construction bricks made of lime, bricks, glass or any other material.	Commercial	Building materials trading

Activity Code	Activity Name	Description	Licence Type	Activity Group
369905	Brooms & Cleaning Articles Manufacturing	Includes manufacturing tools and requisites for cleaning floors, houses, buildings, furniture and household appliances, these are all kinds of brooms, shovels, ground and window sweepers, floor , clothes or utensils brushes, garbage cans and all other cleaning requisites.	Industrial	Metal home appliances manufacturing
514300	Building & Construction Materials Trading	Includes reselling building and construction materials and requisites as detailed in the subsequent activities.	Commercial	Building materials trading
515933	Building Cleaning Equipment Trading	Includes reselling the equipment that facilitate and expedite the cleaning process of buildings interior and exterior.	Commercial	Mechanical & engineering equipment trading
514208	Building Hardware & Tools Trading	Includes reselling of construction and building shovels, mattocks, coaters,whether all or partially made of wood or plastic.	Commercial	Building materials trading
514332	Building Maquettes & Models Requisites Trading	Includes reselling small physical models of buildings or engineering projects or vehicles and equipment, used to visualize how the finished work will look like after constructing or manufacturing.	Commercial	Building materials trading
742124	Building Mechanical Engineering Consultancy	Includes providing services and consultancies related to buildings mechanical engineering services, including preparing preliminary and final engineering studies to the mechanical various systems involving air-conditioning, refrigeration, ventilation and heating cold and hot water supply, sewage, fire fighting, gas, pumps, steam, swimming pools...etc.	Consulting	Other engineering services
281103	Building Metal Products Manufacturing	Includes manufacturing all types of buildings and commercial stores metallic requisites, such as doors, windows, display windows, gardens and balconies metallic staircases fences, decor and interior design requisites, curtains, gates, overhead tanks, window grids bars, manhole covers, cables and wires containers, handrails, made of iron, aluminum, copper or other metals by die-casting or cutting panels and parts to form and shape the required designs.	Industrial	Structural steel manufacturing
514305	Building Metal Products Trading	Includes reselling aluminum, steel or copper doors, windows, balconies, staircases, fences, window grids and garden fences, cladding panels, decorators, manhole covers and any other metal product.	Commercial	Building materials trading
281113	Building Stainless Steel Products Manufacturing	Includes manufacturing all types of buildings and commercial facilities products made of stainless steel, such as doors, windows, display windows, gardens and balconies staircases, fences, decor and interior design requisites.	Industrial	Structural steel manufacturing
742171	Buildings Electrical Engineering Consultancy	Includes firms engaged in providing consultancies and services related to buildings' electrical and electronic engineering, including preparing preliminary and final electrical and electronic works for construction projects as well as interior design and landscaping.	Consulting	Other engineering services
742179	Buildings Energy Efficiency Consultancy	Includes providing consultancies and designs aiming at reducing energy use in buildings through optimal utilization of the resources and developing solutions to minimize electricity and water consumption, the services target the cooling and ventilation systems, lighting, lifts and pumps, water systems.	Consulting	Consultancy -D- management, information and marketing
501002	Buses, Trucks Trading	Includes reselling different passenger buses and trucks and trailers for transporting goods, liquid substances, building materials...etc	Commercial	Trading in motor vehicles and motorcycles

Activity Code	Activity Name	Description	Licence Type	Activity Group
749961	Business Incubator	It's a venue designed to house start-up entrepreneurs and enterprises where they can enjoy an array of business support and guidance, this involves the provision of office spaces and technical and administrative services, innovative ideas and counseling, marketing and business potentials planning, bank finance choices, coordinate interaction with the business community outside the incubator to build relations.	Consulting	Consultancy -D- management, information and marketing
152002	Butter Manufacturing	Includes manufacturing butter by pasteurizing and churning cream of fresh and fermented milk.	Industrial	Food industries
289926	Cable Trays, Cross Arms & Accessories Manufacturing	Includes manufacturing trays to convey and run cables and wires through channels and terminals in constructions, made of aluminium, mild and solid steel, GRP, FRP, also fabricating support systems, gratings, bends, covers, couplings and fixing accessories as well as coating with corrosion resistant materials.	Industrial	Pipes and wires manufacturing
515953	Calculators & Spare Parts Trading	Includes reselling the device used to perform both basic and complex operations of arithmetic.	Commercial	Mechanical & engineering equipment trading
300003	Calculators Manufacturing	Includes manufacturing the device used to perform both basic and complex operations of arithmetic.	Industrial	Appliances and machinery manufacturing
513944	Camping Requisites Trading	Includes reselling of camping and picnics food and beverage preserving utensils, lightnings, tents, linen, clothes, shoes, kits and other requisites usually used in camping and picnics.	Commercial	Sports equipment trading
242907	Candles Manufacturing	Includes producing candles in different sizes and colours from natural and artificial wax for lighting or decoration.	Industrial	Manufacturing of chemicals
512205	Canned & Preserved Food Trading	Includes reselling vegetables, fruits, meat and other consumer vegetable and animal products that are preserved in well sealed metallic cans, frozen, or preserved in plastic, wooden, paper or glass containers. Items mentioned in this Class hereinabove and hereunder are excluded.	Commercial	Foodstuff trading
181007	Caps & Headwears Manufacturing	Includes the manufacture of different kinds of headwear for men and children such as «Ghoutras» (traditional Arab head wear), bonnets and caps, as well as ladies' head and face covers such as various types of veils. This activity also includes the manufacture of various kinds of hats made of textiles.	Industrial	Manufacturing of garments and rugs
519003	Caps & Lids Trading	Includes reselling different caps and lids seal the mouths of bottles and containers.	Commercial	Separate trading activities
515990	Carbon Control Systems Trading	Includes firms specialized identifying , developing and trading with carbon and other gases emission reduction for industries whose improved practices can have impact on the global environment.	Commercial	Mechanical & engineering equipment trading
155402	Carbonated Water Manufacturing	Include carbonizing water and bottle in well sealed containers.	Industrial	water manufacturing and bottling
210902	Cards & Envelops Manufacturing	Includes the manufacture of blank greeting and invitation cards and envelopes of various sizes and types.	Industrial	Manufacturing of paper and paper products
281205	Cargo Containers Manufacturing	Includes manufacturing different dimensions containers used for storing and transporting freight.	Industrial	Metal containers & boxes manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
514217	Cargo Containers Trading	Includes reselling different dimensions containers to store and transfer one mode of transport to another by ships, air, rail and semi-trailer trucks.	Commercial	Metals & its products trading
252017	Carpet Underline Padding Manufacturing	Includes Manufacturing carpet underline cushion pads to keep the carpet in perfect condition.	Industrial	Carpet & mat manufacturing
172201	Carpets Manufacturing	Includes the manufacture of carpets from various fibers. This includes maquette and decorative carpets. Hand made carpets are excluded.	Industrial	Carpet & mat manufacturing
513105	Carpets Trading	Includes reselling all types of carpet, including maquette and decor machine-made pieces.	Commercial	Furnitures trading
273102	Cast Iron Manufacturing	Includes manufacturing casting products such as sanitarywares from steel and cast iron.	Industrial	Other metal industries
515931	Catering Equipment Trading	Includes reselling industrial kitchens equipment and machinery usually used by hotels, restaurants and hospitals to prepare, preserve and serve meals. These equipment are ovens, grillers, dishwashers, cold rooms, chillers, warmers and refrigerators, (glass fronts) service counters, conveyor belts,... etc.	Commercial	Mechanical & engineering equipment trading
252018	CD Manufacturing	Includes manufacturing audio - visual compact discs for data storage, duplication, omission or to serve as identification cards, the wrapping plastic cases and bags making is also included .	Industrial	Light aircraft manufacturing & maintenance
514303	Cement & Gypsum Trading	Includes reselling raw and pre- to formed cement and gypsum, gypsum and cement products under activities 5143-09 and 5143-10 are not related to this activity.	Commercial	Building materials trading
269508	Cement Products Manufacturing	Includes manufacturing cement products such as columns, stair rails, balconies, flower beds, statues, and maquettes by blocks precasting, to use in buildings and internal and decorations.	Industrial	Block and building stones industry
514309	Cement Products Trading	Includes reselling all manufactured cement products except what came in details in this class.	Commercial	Building materials trading
291910	Central Air-Conditioning Equipment Manufacturing	Includes manufacturing central air-conditioning components such as compressors, ducts, internal and external and sounds insulators, air distributors, switches.	Industrial	Equipment and engines manufacturing
281106	Central Air-Conditioning Requisites Manufacturing	Includes manufacturing central air-conditioning systems ducts and fittings installment, as well as ventilation hole covers, ventilation grids, sound and vibration absorbers and other A/C installation requisites.	Industrial	Appliances and machinery manufacturing
515977	Central Ventilators & Air-Filters Trading	Includes reselling ventilation and airfiltering equipment to make air inside factories, workshops and warehouses clean of smoke, dust and others, central ventilators in closed facilities are also included, in- houses ventilators are classified under 513410	Commercial	Mechanical & engineering equipment trading
513910	Ceramic & Chinaware Trading	Includes reselling household utensils and art works made of ceramic or chinaware.	Commercial	Home appliances trading
269203	Ceramic Tiles manufacturing	Includes manufacturing ceramic tiles to floor and clad walls in residential, commercial and industrial constructions, in addition to faience tile and tiles made of marble, natural and artificial stones.	Industrial	Block and building stones industry
153103	Cereal Food Manufacturing	Includes preparing and processing cereals for producing various dry food items such as crushed grains, semolina, corn flakes, quakers ...etc.	Industrial	Foodstuff mills and packaging

Activity Code	Activity Name	Description	Licence Type	Activity Group
289910	Chains Manufacturing	Includes manufacturing metal chain with series of connected links for using in lifting or pulling, also the chains used for transmission of mechanical power in industrial and agricultural machinery and bicycle, which have links designed to mesh with the teeth of the sprockets of the machine.	Industrial	Cotton & metal nets & ropes manufacturing
315006	Chandeliers Manufacturing	Includes manufacturing different chandeliers whether luxurious types coated with precious metals and decorated with crystal, or normal types coated with other metals and decorated with glass.	Industrial	Lighting equipment manufacturing <sup>1</sup>
513916	Chandeliers Trading	Includes reselling different chandeliers whether luxurious types coated with precious metals and decorated with crystal, or normal types coated with other metals and decorated with glass.	Commercial	Not Grouped
151314	Cheese Balls Manufacturing	Includes preparing the crunchy balls covered with cheese or cheese flavored powders.	Industrial	Foodstuff mills and packaging
152003	Cheese Manufacturing	Includes manufacturing cheese from high quality fresh milk, including pasteurizing, purifying and the renneting.	Industrial	Food industries
181003	Children Wears Manufacturing	Includes the manufacture of children's swaddling clothes, nappies, night wear, party clothes and dresses, shirts and trousers.	Industrial	Manufacturing of garments and rugs
181004	Children's Underwears Manufacturing	Includes manufacturing children underwears made of woven, knitted or crocheted fabric.	Industrial	Manufacturing of garments and rugs
515932	City Cleaning Equipment Trading	Includes manufacturing machinery and equipment for outdoor and city cleaning.	Commercial	Mechanical & engineering equipment trading
501009	Classic Cars Trading	Includes selling older automobiles and which are distinguished by their respective fine design, high engineering standards and superior workmanship, the factors determine a car as a classic include engine displacement, custom coachwork and luxury accessories, power brakes, power clutch ...etc.	Commercial	Trading in motor vehicles and motorcycles
269201	Clay Bricks Manufacturing	Includes manufacturing by mixing the raw clay with water to the desired consistency and then pressing into steel moulds for shaping before burning in the kiln to achieve strength	Industrial	Block and building stones industry
292905	Cleanroom Systems Manufacturing	Includes manufacturing cleanrooms which are designed to have low level of environmental pollutants such as dust, airborne microbes, aerosol particles and which are used in manufacturing and scientific research which require controlled level of contamination.	Industrial	Metal containers & boxes manufacturing
515980	Cleanroom Systems Trading	Includes reselling cleanrooms which are designed to have low level of environmental pollutants such as dust, airborne microbes, aerosol particles and which are used in manufacturing and scientific research which require controlled level of contamination.	Commercial	Mechanical & engineering equipment trading
269512	Clinker Manufacturing	Includes manufacturing clinker by blending limestone clay and sand in a proper proportion, then grinding the materials and passing to the kiln to produce clinker	Industrial	Block and building stones industry
369903	Cloth Hangers Manufacturing	Includes manufacturing the wire, wooden or plastic hangers which are designed to facilitate the hanging of coats, jackets and other dress in a manner that prevents wrinkles.	Industrial	Personal requisities manufacturing
513938	Cloth Hangers Trading	Includes reselling the wire, wooden or plastic hangers which are designed to facilitate the hanging of coats, jackets and other dress in a manner that prevents wrinkles.	Commercial	Ready made garments group
512121	Coal & Firewood Trading	Includes reselling wood and charcoal and stone coal to use in heating, cooking and in factories.	Commercial	Fuel and petroleum products trading

Activity Code	Activity Name	Description	Licence Type	Activity Group
154302	Cocoa & Chocolate Candies Manufacturing	Includes manufacturing cocoa and chocolate candies, coating nuts, biscuits or fruits with cocoa and chocolate, and stuffing candies with cocoa or chocolate.	Industrial	Bread manufacturing
154919	Coffee Roasting & Packaging	Includes roasting, grinding and packaging coffee beans in well sealed packs or bags for marketing.	Industrial	Foodstuff mills and packaging
512213	Coffee Trading	Includes reselling coffee beans, whether in bulk or consumer packs.	Commercial	Floor mills
291908	Cold Storage Compartment Manufacturing	Includes manufacturing cold storage compartments to store foodstuff, medicine or other perishable stuff and heat damaging materials, whether for commercial or industrial uses, also, refrigerators and freezers and similar devices in general stores for preserving and displaying foodstuff and other products, household refrigerators and freezers are classified under activity No. 2930-03	Industrial	Equipment and engines manufacturing
742121	Communication Engineering Consultancy	Includes providing services and consultancies related to the transmission of voice, data, and video using a wired or wireless telecommunications infrastructure, involving switching and transmission facilities to provide point-to-point communications via landlines, microwave or a combination of landlines and satellite linkups, cable distribution systems, cellular and other wireless telecommunications networks.	Consulting	Consultancy -B- Engineering
515103	Computer & Data Processing Requisites Trading	Includes reselling tapes, CD-Roms, ribbons, printers ink, paper and other requisites used in computer operation and data storage.	Commercial	Electronics group
300001	Computer Assembling	Includes producing desktop computers and laptops by assembling monitors, keyboards, servers, which can be accumulated from different sources.	Industrial	Appliances and machinery manufacturing
721001	Computer Consultancies	Includes firms which provide consultancy to enterprises and companies, prepare studies related to the analysis of users' needs as regards computer hardware and software and provide the best solutions. This also includes the choice of software that corresponds to the company's activities, the choice of operation specifications, the equipment and preparation of computer rooms, the preparation of purchase tender documents and offers, as well as other related services and consultancies.	Consulting	Consultancy -D- management, information and marketing
515101	Computer Electric Accessories Trading	Includes reselling computer electric accessories such as distributors, switches, surge suppressors and battery back-ups and cables and connectors	Commercial	Electronics group
515104	Computer Equipment & Requisites Trading	Includes reselling computers and accessories, including servers, modems, monitors, central processing units, printers, drawing and programmed discs, disc readers, memory and file storage requisites.	Commercial	Electronics group
722906	Computer Graphic Design Consultancy	Includes carrying computer drawing and designing for decorations, wedding and greeting cards, fashions, internet sites and many other activities, such works shall then be executed by specialized companies, other firms practicing similar works shall be listed under no. 4540-09.	Consulting	Consultancy -D- management, information and marketing
269509	Concrete Blocks Manufacturing	Includes manufacturing the large rectangular bricks from Portland cement and sand and fine gravel for using in construction.	Industrial	Block and building stones industry
269603	Concrete Floating Structures Manufacturing	Includes manufacturing concrete offshore structures to house machinery and equipment needed to drill, extract, as well as oil and gas production and loading units.	Industrial	Block and building stones industry
269503	Concrete Tiles Manufacturing	Includes the manufacture of concrete tiles used for pavements and squares.	Industrial	Block and building stones industry

Activity Code	Activity Name	Description	Licence Type	Activity Group
313006	Conductors & Cable Joints Manufacturing	Includes manufacturing conductors and cable joints of steel, copper, aluminum which permit the flow of electric charges in one or more directions.	Industrial	Pipes and wires manufacturing
512216	Confectionary & Chocolate Trading	Includes re selling of all kinds of flavored confectionaries such as caramels, toffee, gums, lollipops, boiled sweets.	Commercial	Floor mills
742103	Construction Engineering Consultancy	Includes providing engineering consultancies and services and constructional drawings, including drawing up preliminary and final studies to construction projects.	Consulting	Other engineering services
291916	Construction Equipment & Machinery Assembling	Includes assembling building and construction equipment for excavating, filling, demolition, earth leveling, road paving, cement mixing equipment and machinery, as well as cranes, elevators and heavy objects lifts.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
515917	Construction Equipment & Machinery Spare Parts Trading	Includes reselling the spare parts of building and construction excavating, filling, demolition, earth leveling, road paving, cement mixing equipment and machinery, as well as cranes, elevators and heavy objects lifts.	Commercial	Mechanical & engineering equipment trading
515915	Construction Equipment & Machinery Trading	Includes reselling of building and construction excavating, filling, demolition, earth leveling, road paving, cement mixing equipment and machinery, as well as cranes, elevators and heavy objects lifts .	Commercial	Mechanical & engineering equipment trading
281114	Construction Equipment & Spare Parts Manufacturing	Includes manufacturing building and construction equipment for excavating, filling, demolition, earth leveling, road paving, cement mixing, as well as cranes, elevators and heavy objects lifts, it involves the spare parts and accessories.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
269202	Constructional Clay Products Manufacturing	Includes manufacturing of building and construction clay products, such as bricks, slabs, ceramic, faience tile, clay pipes and tubes and fittings as well as sanitary and bathroom clay requisites.	Industrial	Block and building stones industry
332001	Contact Lenses Manufacturing	Includes manufacturing the plastic lens placed on the surface of the eye either to correct visual defects or to change the colors of the eyes.	Industrial	Manufacture of eyeglasses
291504	Conveyor & Transmission Belts Manufacturing	Includes manufacturing rubber, plastic or metal moving belts installed in public utilities like airports, shopping centres or in industrial units to convey raw materials and finished goods or in central kitchens or for any other purposes, pre- installation process involves working out the connectors and metal joiners.	Industrial	Equipment and engines manufacturing
291401	Cookers & Cook Stoves Manufacturing	Includes manufacturing electric, gas, coal or kerosene burners, ovens and cookers, also, different barbecue items.	Industrial	Appliances and machinery manufacturing
513913	Cookers & Cookstoves Trading	Includes reselling electric, gas, coal or kerosene burners, ovens and cookers, also, different barbecue items (excluding restaurants and cafeterias brands, which are classified under activity 5150-31)	Commercial	Electronics group
741429	Cooking Consultant	Includes the provision of advice, guidance and operational assistance to hotels, restaurants, clubs, and other professionals in the hospitality industry as regarding how to skillfully preparing meals, helping create the recipes, demonstrate knowledge of the science of food, understanding of diet and nutrition, plan and execute cooking demonstrations in TV stations or any other place.	Consulting	Consultancy -D- management, information and marketing

Activity Code	Activity Name	Description	Licence Type	Activity Group
242905	Coolants Manufacturing	Includes manufacturing coolants which are characterized of having high thermal capacity, low viscosity, chemically inert, and causing no corrosion when mixed with water and flow through or around a device to prevent its overheating.	Industrial	Manufacturing of chemicals
272003	Copper Rod Casting	Includes producing pure copper from its primary ore (cathode) , then melt and cast to form rods to use in manufacturing cables.	Industrial	Structural steel manufacturing
210206	Core Paper Manufacturing	Includes manufacturing paper tubes and cores in various length and diameters, thickness up to 12 ml, for wrapping raw materials such as carpet, moquette, nylon, paper, carton, textiles...etc	Industrial	Manufacturing of paper and paper products
210201	Corrugated Carton Boxes & Container Manufacturing	Includes the manufacture of different sizes and types of boxes and containers made of corrugated or non-corrugated carton, used for wrapping and packaging different products in commercial packs in order to facilitate their transportation, shipping and storing.	Industrial	Manufacturing of paper and paper products
242408	Cosmetics Manufacturing	Includes manufacturing cosmetics, such as body creams and lotions as well as various types of eye make-ups and facial cosmetics.	Industrial	Manufacturing of chemicals
512124	Cotton & Natural Fibers Trading	Includes trading of raw cotton before undergoing any industrial or converting processes in order to meet different industrial and commercial needs, also, linen, jute, hemp and other natural fibers.	Commercial	Chemicals trading
171101	Cotton, Wool Spinning & Weaving	Includes the preparation of cotton and wool fibers manufactured from substitute materials such as nylon or artificial silk, carrying out spinning operations including cleaning and carding...etc. Also includes spinning and weaving of fibers to produce fabrics, textiles, broad-cloth, embroideries and laced fabrics, as well as their bleaching.	Industrial	Textiles & products manufacturing
291502	Crane Manufacturing	machines equipped with a hoist, wire ropes or chains, used to lift and lower materials in ports and places of cargo loading and unloading and in constructions.	Industrial	Equipment and engines manufacturing
514334	Crane Rails & Fixing Accessories Trading	Includes reselling the railroad for mounting cranes on it in order to use in freight handling in goods yards, or for accident recovery works.	Commercial	Building materials trading
152005	Cream Of Milk Manufacturing	Includes extracting cream from milk by using centrifugal force.	Industrial	Food industries
241303	Crude Fibre Glass Manufacturing	Includes producing fiber glass from source materials and forming in panels, grids, or textures and complementary chemicals useable in manufacturing fiber glass products for constructions or others.	Industrial	Manufacturing of chemicals
154201	Crude Sugar Refining	Includes the process of converting the crude sugar produced in sugar factories into crystallized sugar.	Industrial	Food industries
513932	Crystal Products Trading	Includes reselling decorative and household crystal products, such as chandeliers, ladies ornaments, utensils, gifts, trophies.	Commercial	Ready made garments group
513124	Curtains & Upholstery Fabrics Trading	Includes reselling different fabrics for curtains and upholstery.	Commercial	Furnitures trading

Activity Code	Activity Name	Description	Licence Type	Activity Group
749941	Customer Care Center	Includes centers founded by foreign and local corporatios having several branches and subsidiaries such as hotels, banks, hospitals, to provide services to their customers in respect of hotel reservations, information providing, complaints receiving...etc, this is different from any service provided by public relations or customer services offices operating in a relatively small firm.	Consulting	Consultancy -D- management, information and marketing
741427	Customs Consultant	Includes firms engaged in advising importer and exporters on customs, involving, customs procedures, restrictions, discrepancies, exemptions, tariffs, customs value, in additions advising on customs cases considered before customs committees.	Consulting	Consultancy -D- management, information and marketing
513912	Cutlery & Silverware Trading	Includes reselling cutlery spoons and knives and other household trays, plates, candlesticks, whether made of silver or gold or silver-plated metal, or of stainless steel.	Commercial	Home appliances trading
289306	Cutlery Manufacturing	Includes manufacturing knives and spoons used in cutting and cooking, also stainless steel and gold and silver plated cutlery, or purely precious metal brands.	Industrial	Metal home appliances manufacturing
289304	Cutting & Shearing Tools Manufacturing	Includes manufacturing household or workshop cutting and shearing hand tools, such as knives, scissors or other sharp edge tools, mainly axes, chisels, rasps, saws and others.	Industrial	steel tool manufacturing
152001	Dairy Products Manufacturing	Includes manufacturing milk, Laban, fruit-flavored milk and others, whether processed from fresh or powdered milk. This includes pasteurization and packaging for marketing.	Industrial	Food industries
512204	Dairy Products Trading	Includes reselling fresh and preserved milk, whether in liquid, powdered or condensed, also, dairies including cheese, butter, cream and others, usually raw, canned or preserved.	Commercial	Foodstuff trading
723001	Data Entry	Includes firms which provide data entry services to computer systems and programs, the process involves ordinary data entry and documents scanning for final electronic storing. It involves converting data from one computer language to another. Such services are carried by specialized firms for others against remunerations, firms perform said services for themselves are not listed under this activity	Consulting	Consultancy -D- management, information and marketing
151306	Dates Drying & Packaging	Includes drying dates by removing water content either through sun drying, or through the use of dryers or dehydrators.	Industrial	Food industries
512105	Dates Trading	Includes reselling of all kinds of dates whether soft, semi crunchy or crunchy.	Commercial	Foodstuff trading
514321	Decoration Materials & Partitions Trading	Include reselling of indoor and outdoor decoration materials and products as well as home and office interior design, including gypsum engravings, wood and cement partitions, fittings of artificial decorators such as fountains, water falls and water ways, ready-made partitions used to divide space in offices made of wood, carton, aluminum, steel sheets or others.	Commercial	Furnitures trading
222204	Design & Artwork	Includes providing a wide range of design and artworks to firms engaged in printing and publishing. This includes designing books, magazine covers, stamps, greeting cards and brochures, the process may take the traditional for modern techniques.	Consulting	Printing and publishing services
331303	Detection Equipment Assembling	Includes firms specialized in assembling detection equipment and systems for, underground, on the surface or underwater exploration of minerals and resources, underground water, mines and caves, also, security and surveillance devices, gold and precious metals testers, global positioning systems (GPS), underwater color photography cameras.	Industrial	Appliances and machinery manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
242402	Detergents & Disinfectants Manufacturing	Includes manufacturing soap, shampoo, detergents and other chemical materials used to clean floors, carpets and glass, to remove stains from clothes, wash household utensils, also manufacturing floors, bathrooms and clothes disinfectants.	Industrial	Manufacturing of chemicals
514903	Detergents & Disinfectants Trading	Includes reselling chemical detergents for cleaning clothes, carpets, floors, destainers, bleachers, deodorants, bathrooms, kitchens and drainage points disinfectants, also, included utensils and glass polishers and air fresheners.	Commercial	Chemicals trading
210904	Diapers Manufacturing	Includes manufacturing diapers made of cloth or synthetic disposable materials.	Industrial	Manufacturing of paper and paper products
289921	Disposable Aluminum Plates & Containers Manufacturing	Includes manufacturing disposable aluminum sheets plates, trays, glasses and similar utensils used in serving food, or in preserving or packing food such as containers, cans and others.	Industrial	Metal home appliances manufacturing
291918	Diving Equipment Assembling	Includes assembling the recreational and professional diving equipment such as rebreathers, weighing systems, depth gauges, buoyancy control devices, cylinders.	Industrial	Equipment and engines manufacturing
515913	Diving Equipment Trading	Includes reselling recreational and professional diving equipment such as snorkel, mask, rebreather, weighing system, depth gauge, fins, suits, buoyancy control device, cylinders.	Commercial	Mechanical & engineering equipment trading
369402	Dolls Manufacturing	Includes manufacturing dolls and childrens toys made plastic, fabric, textiles, leather, metal, or of mixture of them.	Industrial	Personal requisities manufacturing
513924	Domestic Kitchen & Fixture Trading	Includes reselling household wooden or aluminium kitchens and fixtures tailored to the size of the kitchen and customers' specifications.	Commercial	Furnitures trading
514331	Doors, Windows & Other Plastic Building Products Trading	Includes reselling plastic or fiberglass products and requisites for building and construction projects such as, doors, windows, cladding sheets, partitions, plastic decorations, mesh for fly, dust and sun rays screening and trapping, manhole cover, water tanks, and similar products made of plastic or semi-plastic materials.	Commercial	Building materials trading
512229	Dried Vegetables & Fruit Trading	Includes reselling vegetables and fruit dried through sun, or through dryers or dehydrators, such as figs, pineapple, peaches, apricots.	Commercial	Foodstuff trading
742143	Drilling, Stock & Production Engineering Consultancy	Includes providing services and consultancies related to designing and implementing procedures to drill wells as safely and economically as possible, also, the production engineering which focuses on designing and selecting equipment to extract and treat oil and gas well fluids.	Consulting	Consultancy -C- Petrol and Water
513948	Dry Batteries Trading	includes reselling the device consisting of one or more electrochemical cells that convert stored chemical energy into electrical energy, it involves the primary type which is used once and discharges, and the secondary type which is designed to be recharged and used multiple times	Commercial	Separate trading activities
151307	Dry Fruit & Vegetables Packaging	Includes drying fruits and vegetables either through sun drying, or through dryers or dehydrators.	Industrial	Food industries

Activity Code	Activity Name	Description	Licence Type	Activity Group
241106	Dry Ice Manufacturing	Includes manufacturing dry ice by pressurizing and liquefying carbon dioxide in steel cylinders, and when vaporizing the liquid to turn into a snow-like material which is characterized having several times the cooling capacity of the normal ice, its used in food and beverage preservation, transport refrigeration, meat processing, equipment blast cleaning, cattle branding, fumigation, fog creation.	Industrial	Manufacturing of chemicals
519014	Dry Ice Trading	Includes reselling dry ice which is a solid carbon dioxide at a very low temperature, its characterized by having several times the cooling capacity of the normal ice, its used in food and beverage preservation, transport refrigeration, meat processing, equipment blast cleaning, cattle branding, fumigation, fog creation...etc.	Commercial	Separate trading activities
722905	Education & Training Computer Software	Includes providing computer systems analysis and software design to the facilities involved in education and training process, it involves analyzing the users needs and problems and offering consultancy on the best economical solution and the programs necessary for realizing such a solution, also, the software installation, testing and operation.	Consulting	Consultancy -D- management, information and marketing
513905	Educational Aids Trading	Includes reselling drawings, specimens, maps, samples, as well motion pictures and T.V. documentaries and slides usually used as educational and demonstratives.	Commercial	Stationary and books trading
289927	Egg Incubators Manufacturing	Includes manufacturing automated poultry breeders which maintain humidity, temperature and lighting necessary for egg hatching.	Industrial	Other metal industries
512209	Egg Trading	Include reselling poultry and birds eggs for consumption or incubation.	Commercial	Foodstuff trading
501006	Electric Cars Trading	Includes electric mini cars designed to serve in golf clubs, football stadiums, horse racetracks as well as passengers and visitors shuttles in airports and malls.	Commercial	Trading in motor vehicles and motorcycles
315001	Electric Lamps Manufacturing	Includes manufacture of discharge, incandescent, fluorescent, ultra-violet, infra-red lamps	Industrial	Lighting equipment manufacturing <sup>1</sup>
311001	Electric Motors & Generators Manufacturing	Includes manufacturing the devices which convert the electrical energy into mechanical energy to operate washing machines, airconditions, vacuum cleaners, hair dryers, sewing machines, including also the devices which produce electrical energy from mechanical energy.	Industrial	Appliances and machinery manufacturing
293002	Electric Water Heaters Manufacturing	Includes manufacturing electrically operated household water heaters and swimming pools as well as any device for heating water.	Industrial	Appliances and machinery manufacturing
515205	Electrical & Electronic Appliances Spare Parts Trading	Includes reselling the spare parts of the audio-visual electronic equipment, involving radio sets, gramophones, loud-speakers television and video sets, cinematography and television cameras, also, refrigerators, freezers, water coolers, washing machines and dryers, dishwashers, vacuum cleaners, ironers, heaters, electric kitchen mixers, mincers, cutters, blenders, toasters, juice extractors, grinders, kettles.	Commercial	Electronics group
514314	Electrical Fittings Trading	Includes reselling electric wires, cables, assembly boxes, distribution panels, poles, cable, ducts and communication wires. (related gauging devices are listed under 5150-11).	Commercial	Electricals trading
293006	Electrical Home Appliances Manufacturing	Includes manufacturing household electrical machines and appliances, such as fans, vacuum cleaners, irons, hair dryers, razors, stoves and others.	Industrial	Appliances and machinery manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
331301	Electrical Measuring & Control Systems Manufacturing	Includes manufacturing electric devices for controlling and measuring industrial process variables, temperature, humidity, pressure, combustion, flow, density, acidity, by fluid meters and counting devices, also instruments for measuring the characteristics of electricity and electrical signals, instruments and instrumentation systems for laboratory analysis of the chemical or physical composition of samples of solid, fluid, gaseous or composite materials.	Industrial	Appliances and machinery manufacturing
742119	Electrical Network & Distribution Engineering Consultancy	Includes providing services and consultancies related to the transmission of power from generating facilities to distribution centers and distribution to end users.	Consulting	Other engineering services
321003	Electronic Appliances Assembling	Includes assembling audio-visual electronic equipment, involving radio sets, gramophones, loud-speakers television and video sets, , cinematography and television cameras.	Industrial	Appliances and machinery manufacturing
515209	Electronic Cards Trading	Includes reselling specialized electronic cards such as plastic membership cards, magnetic cards used as key cards and ATM machines, credit cards, smart cards, phone cards, finger print identification cards, in addition to other electronically programmed cards.	Commercial	Electronics group
321002	Electronic Chips & Semiconductors Manufacturing	Includes manufacturing silicon wafers (chips) used as a semiconductor, integrated circuits, discrete semiconductors and various of chips fitted in computers, electronics, communications and industrial equipment.	Industrial	Appliances and machinery manufacturing
722902	Electronic Chips Programming	Includes programming electronic chips used in computers or in other automatic electronic devices, which are used in industry, vehicles, household electronic appliances and electronic games.	Consulting	Consultancy -D- management, information and marketing
742120	Electronic Engineering Consultancy	Includes providing physics engineering consultancies and services as regarding the equipment that involve the controlled conduction of electrons especially in a gas or vacuum or semiconductor and which are utilized in diverse fields, such as data processing, telecommunications, transmitting and receiving installations, material testing and research, medical installations, signal and transmission.	Consulting	Other engineering services
749504	Electronic Gadgets Masking	Includes firms engaged in masking decorating electronic gadgets such as mobiles, laptops, MP3s in order to give a new look and protect from damage.	Industrial	Packing services
321005	Electronic Precision Devices Manufacturing	Includes manufacturing electronic devices to observe different phenomena indiscernible by ordinary senses, such as sound waves and vibrations detectors, minute objects observers and measuring instruments.	Industrial	Appliances and machinery manufacturing
515210	Electronic Precision Instruments Trading	Includes selling electronic devices to observe different phenomena indiscernible by ordinary senses, such as sound waves and vibrations detectors, minute objects observers and measuring instruments. Laboratory and medical equipment are not included herein.	Commercial	Mechanical & engineering equipment trading
321004	Electronic Printed Circuit Boards Assembling	Includes assembling and building printed circuit boards using rigid and flexible laminates and HF laminates (Teflon)	Industrial	Appliances and machinery manufacturing
321001	Electronic Tubes Manufacturing	Includes manufacturing the electronic tubes that transmit electronic and electromagnetic waves and signals, used to manufacture TV screens and computer monitors and any other scientific or industrial oriented screen.	Industrial	Pipes and wires manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
291506	Elevators & Escalators components Manufacturing	Includes manufacturing components such as bodies and cabins, walls, roofs, floors which are assembled to form whole lifts, also manufacturing the components of escalators and electric belts installed in airports, shopping centers, hotels and public utilities.	Industrial	Equipment and engines manufacturing
292908	Energy Efficient Equipment Manufacturing		Industrial	Equipment and engines manufacturing
742173	Energy Projects Engineering Consultancy	Includes conducting engineering consultancy for energy and water related projects such as gas and coal energy, it involves engineering, technical, analytical and economic feasibility studies to identify alternatives, compare between the environmental impacts of energy sources, including design and drawings and supervising execution progress.	Consulting	Consultancy -D- management, information and marketing
515958	Engineering Designing Instruments Trading	Includes reselling stationery items for engineering designing.	Commercial	Mechanical & engineering equipment trading
515974	Engines & Machinery Spare Parts Trading	Includes reselling parts and components for engines, motors, pumps, gear boxes, steering and starters, including pipes, flexible metal, plastic and fibers hoses used in hydraulic and gas engines and motors, as well as belts, ball bearings, gears, crankshaft and pistons.	Commercial	Mechanical & engineering equipment trading
291102	Engines Spare Parts Manufacturing	Includes manufacturing major spare parts such as cam shafts, pistons, inlet valves, connecting rods, and other parts used in different engines, machines or industrial, marine or construction equipment.	Industrial	Equipment and engines manufacturing
515935	Environment Protection Equipment Trading	Includes reselling environment protection and pollution control machinery and equipment, including sewage disposal treatment and waste recycling equipment.	Commercial	Mechanical & engineering equipment trading
731002	Environmental Consultants & Studies	Includes firms conduct technical studies and research on the polluters affecting the environment elements, mainly air, water and soil and how to handle the subsequent impacts as well as determining the techniques and practical preventive measures, such firms are not allowed to conduct field surveys and questionnaire before getting approval from the competent authority.	Consulting	Consultancy -D- management, information and marketing
742116	Environmental Engineering Consultancy	Includes providing services and consultancies related to improving the natural environment (air, water, and land resources), remediate pollution sites, finding plausible solutions in the field of public health, promote adequate sanitation in urban, rural and areas, waste water management and disposal, air pollution control, recycling, radiation protection, environmental sustainability.	Consulting	Other engineering services
525106	Equipment E-Trading	Includes firms specialized in conducting selling equipment and machinery to the general public or to other businesses over the internet without needing any human interaction using any of the applications that rely on the internet, it involves coordinating with payment service providers which offer online electronic payments by a variety of payment methods including credit card, smart cards, digital money E-cash.	Commercial	
749946	Event Management Consultancy	Includes firms engaged in managing festivals and events, which involves, studying intricacies of the event, identifying the target audience, devising the event concept, planning logistics, coordinating the technical aspects before executing the modalities of the event. The activity applies to a variety of areas, such as, corporate events, marketing programs, concerts, award ceremonies, fashion shows and wedding parties.	Consulting	Consultancy -D- management, information and marketing

# RAK FTZ BUSINESS ACTIVITY LIST

Activity Code	Activity Name	Description	Licence Type	Activity Group
343002	Exhausts Manufacturing	Includes manufacturing exhausts used to convey burnt gases from the engine.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
289928	Exhibition Stands Manufacturing	Includes firms engaged in manufacturing exhibitions fixtures including walls, ceilings, podiums and requisites.	Industrial	Manufacturing of wood, wood products and Furniture
281109	Expanded Metal Components Manufacturing	Includes the process of metal spreading, boring or converting metal plates into gabions nets to produce metal products like reinforcing angles, sections, bricks lining up studs and other requisites used in the constructions for supporting and reinforcing different building elements and prevent cracking.	Industrial	Structural steel manufacturing
172106	Fabrics & Textiles Embroidering	Includes knitting and crocheting cotton, silk and wool fabrics with colored or golden stripes to use in producing household linens and women dress.	Industrial	Textiles & products manufacturing
222110	Fabrics, Textiles & Readymade Garments Screen Printing	Includes silk-screen printing on textiles and wearing apparel by transferring a multicolored image or design image from a screen to textile articles through lithographic, gravure, screen or flexographic printing.	Industrial	Printing and publishing services
741413	Facilities Resources Planning Consultancy	Includes firms engaged in conducting studies and consultancies as regarding various alternatives available to a firm in order to achieve the optimum utilization of resources, thus the firm is enabled to minimize utilization of inputs and energy, as well as impact on environment.	Consulting	Consultancy -D- management, information and marketing
269907	False Ceilings Manufacturing	Includes manufacturing false ceilings made of non-metallic materials such as gypsum, fiberglass, or plastic reinforced with cement.....etc.	Industrial	Block and building stones industry
514311	False Ceilings Trading	Includes reselling of false ceilings made of aluminum, gypsum, plastic, wood others.	Commercial	Building materials trading
749914	Fashion Designing	Includes shops which design fashions and clothes for men, women and children, including uniform suits for the official bodies personnel.	Consulting	Gents tailoring and design
741402	Feasibility Studies Consultancies	Includes firms which prepare technical and economic feasibility studies on the new projects to determine the profitability of these projects over a period of operation, such firms are not allowed to conduct field surveys and questionnaire before getting approval from the competent authority.	Consulting	Consultancy -D- management, information and marketing
514327	Fencing & Barbed Wire Trading	Includes reselling fence and barbed wire to prevent crossing industrial and agricultural installations, airports, military facilities.	Commercial	Metals & its products trading
313004	Fiber Optics Cables, Wires & Requisites Manufacturing	Includes manufacturing the cables and wires using optical fiber as a medium which permits transmission over longer distances, it involves single-mode fiber used in telecommunication and TV cables, and the multi-mode fiber for computer networking.	Industrial	Pipes and wires manufacturing
261004	Fibre Glass Products Manufacturing	Includes forming of fiberglass from its primary substances and making different products, such as pipes, tubes and fittings, water tanks, exterior decorations, doors, and nets used to cover water-insulated ceilings ( boats manufacturing is under activity no. 3512-02) .	Industrial	Glass industries

Activity Code	Activity Name	Description	Licence Type	Activity Group
514319	Fibre Glass Products Trading	Includes reselling fiberglass decorations, tubes, tanks, as well as raw fiberglass for manufacturing various products.	Commercial	Building materials trading
519011	Fibre Optic Products & Requisites Trading	Includes reselling of wires and cables made of fiber optics for different uses, as well as related connectors, sockets, feeding points, control and distribution panels..... etc.	Commercial	Not Grouped
210205	Files & Box Files Manufacturing	Includes the manufacture of paper filing requisites such as files and box files where documents and official papers are kept, whether such requisites made of paper, carton or plastic. This also includes printing and manufacturing of paper files.	Industrial	Manufacturing of paper and paper products
513909	Films & Photography Materials Trading	Includes reselling photographic materials like films, discs, chips and others.	Commercial	studio - trade license

242206	Ink and Printing Materials Manufacturing	Includes manufacturing printing inks either being in powder, paste or as liquid, in addition to inject cartridges used in fax machines, photo copiers and computer printers.	Industrial	Manufacturing of chemicals
515976	Inspection, Testing Equipment & Devices Trading	Includes the reselling of equipment and devices specialized in testing, examining, and inspecting constructions, facilities, marine and industrial equipment, vehicles and transport means, these devices are related to on-site testing apart from laboratory equipment which are classified under 5150-10	Commercial	Mechanical & engineering equipment trading
154925	Instant Coffee Preparation	Includes preparing, mixing and packaging of instant coffee, coffee creamers and mixes there off in well sealed packs, bags or jars.	Industrial	Food industries
154926	Instant Tea Preparation	Includes preparing, mixing and packaging of instant tea, tea creamers and mixes there off in well sealed packs, bags or jars.	Industrial	Food industries
514919	Insulation & Protection Materials Trading	Includes reselling of insulators and requisites used as humidity proof, water sealants, sun or generated heat proof, acoustic enclosures, vibration isolators, anti radiators, electric and magnetic insulation, metal and wood protectors of rust, corrosions, humidity and heat, as well as any material used in constructions, machinery, furnaces, vehicles marine equipment ...etc.	Commercial	Chemicals trading
242204	Insulation Materials Manufacturing	Includes manufacturing insulation materials from environment friendly minerals or otherwise to use for humidifying, waterproofing, heat proofing, whether from the sun or man generated, including anti-acoustics, anti-vibration and anti-radiant materials in buildings, plants, furnaces...etc.	Industrial	Manufacturing of chemicals
672004	Insurance Consultancies	Include firms which provide insurance consultancy services.	Consulting	insurance consultants
742110	Interior Design Engineering Consultancy	Includes specialized firms which prepare landscaping drawings and designs for residential buildings, hotels, offices... etc., this includes choosing the right materials, colours, fixtures and lighting in addition to supervising the execution according to the designs set forth. It also involves firms specialized in drawing up detailed graphics and designs to stands and fixtures used in exhibitions.	Consulting	Consultancy -B- Engineering

Activity Code	Activity Name	Description	Licence Type	Activity Group
269510	Interlock Tiles Manufacturing	Includes manufacturing interlock tiles from sand and cement to be laid together to make up the block paved surface and can easily be lifted up and then replaced to allow for beneath maintenance, it is used for paving road surfacing, driveways, petrol stations, parks.	Industrial	Block and building stones industry
721004	Internet Consultancy	Includes firms specialized in drawing up the strategies of using the internet technology in the commercial entities, as well as impose laying out the techniques of the practical application.	Consulting	Not Grouped
722904	Internet Content Provider	Includes firms specialized in providing the internet sites with contents and make them available for users.	Consulting	Consultancy -D- management, information and marketing
289101	Iron & Steel Rolling	Includes the hot or cold forming of iron and steel by passing through a pair of rolls in order to shaping and deforming.	Industrial	Casting of steel and iron
271001	Iron & Steel Smelter	Includes smelting iron primary ores or iron scrap to produce various types of iron and steel blocks, cylinders or ingots, in such a way that they can reproduce various iron products by means of traction, rolling or remelting and molding.	Industrial	Casting of steel and iron
289302	Iron Mongry Manufacturing	Includes manufacturing vertical or horizontal turning knobs and screw hinges, door and window locks, and others metallic requisites made of copper, aluminum, steel or others.	Industrial	Structural steel manufacturing
514320	Ironmongery Trading	Includes reselling of steel and copper ironmongery door and window knobs, fixed locks and keys, door joints, and door closing requisites.	Commercial	Building materials trading
515957	Irrigation Equipment & Requisites Trading	Includes reselling equipment and accessories used in the artificial application of water to the land or soil where the natural rainfall was insufficient to support crops, it involves pivots for overhead irrigation, pumps, sprinklers, drippers, control and automation equipment.	Commercial	Mechanical & engineering equipment trading
724001	IT Infrastructure	Includes firms specialized in laying the technical foundations of the information technology, which comprises the network, the systems and the data bases. It also involves firms engaged in preparing the consultative studies alongwith the installations of the network and the systems, manpower training is also included.	Consulting	Consultancy -D- management, information and marketing
181012	Jackets & Overcoats Manufacturing	Includes manufacturing jackets and overcoats intended to be worn as fashion or as a winter dress.	Industrial	Manufacturing of garments and rugs
151308	Jam Manufacturing	Includes processing jam from perishable fruits in order to preserve and long-term storage	Industrial	Food industries
504004	Jet Ski Trading	Includes reselling personal watercraft used water recreational activities and sport.	Commercial	Trading in motor vehicles and motorcysles
525107	Jewellery & Precious Stones E-Trading	Includes firms specialized in conducting selling jewellery, pearls and precious stones to the general public or to other businesses over the internet without needing any human interaction using any of the applications that rely on the internet, it involves coordinating with payment service providers which offer online electronic payments by a variety of payment methods including credit card, smart cards, digital money E-cash.	Commercial	
749948	Jewellery Designing	Includes designing the models of gold and precious metals jewellery prior to mechanical or manual production, involving pre-manufacturing drawings, setting technical specifications, materials and production costs calculation, testing to ensure compliance of materials with safety and quality standards.	Consulting	Goldsmith & gold repairing

# RAK FTZ BUSINESS ACTIVITY LIST

Activity Code	Activity Name	Description	Licence Type	Activity Group
513928	Jewellery Trading	Includes reselling adornment jewellery such as brooches, earrings, necklaces, bracelets, rings, which are made of gold, platinum, palladium, titanium, silver and gemstones.	Commercial	Jewellery trading
512225	Juice Trading	Includes reselling of all vegetable & fruit juices, whether liquid, dried or condensed.	Commercial	Foodstuff trading
154913	Juice, Ice cream & Dry Mixes Processing	Includes producing dry mixtures composed of natural and synthetic ingredients for processing juices and ice cream, mixing and packaging is made on the specifications of the consumers, beverages producers, dealers, restaurants... etc. This activity does not include the production for final consumption.	Industrial	Food industries
269505	Kerb Stones Manufacturing	Includes constructing Concrete Kerbs using slip form casting machine to use separate the road from the roadside.	Industrial	Block and building stones industry
515971	Kids Rides & Games Trading	Includes reselling in-door children rides and games, as well as those installed in public parks and gardens for children entertainmen, including swings, slides, house and aircraft models, whether made of solid and safe materials or of inflatable objects.	Commercial	Mechanical & engineering equipment trading
293005	Kitchen Appliances Manufacturing	Includes manufacturing household's kitchen electric appliances such as, blenders, toasters, food warmers, can openers, knives sharpeners, water boilers, juice extractors, kneaders, coffee and grains grinders, meat mincers and food processors.	Industrial	Appliances and machinery manufacturing
361002	Kitchen Cabinets & Fixtures Manufacturing	Includes manufacturing the cabinets and fixtures of wood with metal fittings incorporated into them in order to install in kitchens for storage of cooking equipment and kitchen appliances.	Industrial	Manufacturing of wood, wood products and Furniture
749506	Labeling	Labeling Services Includes firms engaged in relabeling in Arabic and English the goods and products which were imported with labels in other languages, it involves submitting such labels to the concerned authorities prior to re-sticking on these goods and products	Industrial	Packing services
519010	Laboratories Tools & Requisites Trading	Includes reselling laboratory requisites for scientific and medical testing and analysis, including glassware, instruments, apparatuses other than chemical solutions and equipment.	Commercial	Medicines trading
242307	Laboratory Diagnostics Reagents Manufacturing	Includes preparing lab reagents, solutions or solid like enzymes, clinical chemistry, strains or pregnancy test strips respectively, these materials are used to diagnose diseases through blood inside labs or urine in labs or homes, reagents are prepared according to approved protocols and subject to approval by authorised medical authorities.	Industrial	Manufacturing of chemicals
171104	Lace & Band Crochet Manufacturing	Includes the process of weaving lace from natural and artificial yarns and fibers. It also includes the manufacture of other similar woven products such as crochet, brocades, woven belts, as well as ready made garment requisites such as cards, labels, brands, tapestry and others.	Industrial	Textiles & products manufacturing
181005	Ladies' Garments Manufacturing	Includes the manufacture of ladies' shirts and trousers, party and evening dresses, maternity clothes, wedding dresses, night and in-house wear, beach and bath wear, scarves and others.	Industrial	Manufacturing of garments and rugs
513112	Ladies' Garments Trading	Includes reselling ladies' shirts and trousers, party and evening dresses, maternity clothes, wedding dresses, night and in-house wear, beach and bath wear, scarves and others.	Commercial	Ready made garments group
181006	Ladies' Underwears Manufacturing	Includes manufacturing women undergarments made of woven, knitted or crocheted fabric to be worn under other clothes, whether over or below the waist.	Industrial	Manufacturing of garments and rugs

315002	Lamp Base & Accessories Manufacturing	Includes manufacturing lamp bases of ceramic, metal, glass or plastic, which make an electrical connection in the socket of a light fixtures.	Industrial	Appliances and machinery manufacturing
742111	Landscaping Engineering Consultancy	Includes firms specialized in drawing up designs, plans and specifications for beautification and organization of parks, lands and gardens and harmonizing beauties of the same with the neighboring buildings and natural scenes.	Consulting	Consultancy -A- Agriculture and Soil
515998	Laser & Fireworks Show Equipment Trading	Includes reselling laser and fireworks show products such as, digital light processors, screens and projectors, high powered lighting units, video devices, loudspeaker systems, these firms are not allowed to deal in fireworks materials.	Commercial	Mechanical & engineering equipment trading
289919	Lathe Workshop	Includes workshops with lathes designed to machine metals.	Industrial	Steel workshop
515936	Laundry & Dry Cleaning Equipment Trading	Includes reselling laundry machinery and equipment for cleaning and ironing clothes, textiles, linen, curtains, carpets and others, whether by steam or dry cleaning.	Commercial	Mechanical & engineering equipment trading
741102	Legal Consultants	Includes offices and firms which offer consultancies and prepare legal studies of the lawsuits and the legal questions submitted thereto. However, they are not entitled to assume the defense before courts in this regard.	Consulting	Legal services
519015	Life Saving Equipment Trading	Includes reselling equipment for marine life saving such as life jackets, lifebuoys and boats, also the devices that ignite light, smoke and flare signals used to indicate the position of the distressed lifebuoys in day or night in order to enable rescuing.	Commercial	Mechanical & engineering equipment trading
291505	Lifts Assembling	Includes manufacturing by means of assembling residential, commercial, industrial and servicing (cargo and garbage handling) lifts. The process may involve manufacturing some components such as bodies and cabins, fixing walls, roofs, floors as well as installing doors, motors and control systems. It also includes design (customized), installation and maintenance.	Industrial	Equipment and engines manufacturing
515951	Lifts, Escalators & Spare Parts Trading	Includes reselling lifts fixed in multistoried facilities to carry people and goods, also, escalators and electric belts in airports, shopping centers, hotels and public utilities.	Commercial	Mechanical & engineering equipment trading
513917	Light Fittings & Fixtures Trading	Includes reselling lighting lamps, ornamental ceiling lamps (except crystal chandeliers) switch keys and sockets. This also includes electric bells, spotlights, garden and house lighting device. Public parks and squares lightings are classified under Class 5150.	Commercial	Not Grouped
515930	Lighting Equipment & Requisites Trading	Includes reselling lighting devices in public gardens, parks, squares, airports, sports stadium and others.	Commercial	Mechanical & engineering equipment trading
315007	Lighting Fitting & Fixtures Assembling	Includes assembling lighting devices in public gardens, parks, airports, sports stadium and others.	Industrial	Lighting equipment manufacturing1
514324	Lighting Poles Trading	Includes reselling utility lighting poles made of metal, concrete or wood for roads, streets and parks lighting.	Commercial	Building materials trading
154914	Liquid Pasteurized Egg Production	Includes processing pasteurized egg liquid and packaging in bulks for using by consumers like restaurants, hotels and catering companies.	Industrial	Food industries
242207	Ink Mixing & Refilling	Includes proportionally mix and blend inks to produce a colour required by the customer	Industrial	Manufacturing of chemicals

Industrial	
514338	Locks & Keys Trading	Includes reselling the mechanical or electronic fastening device which are released by a physical object, such as key, keycard, fingerprint, security token.	Commercial	Building materials trading
741426	Logistics Consultancy	Includes firms specialized in providing objective management advice and solutions to supply chain problems as well as providing methodology for improving performance, this involves analyzing the distribution network and delivering practical solutions, facilities and warehouses design and improvement, audit the operation and identify the potentials for improvements.	Consulting	Consultancy -D- management, information and marketing
232008	Lubricants & Grease Refilling	Includes firms engaged in breaking bulk Lubricants and Grease in smaller lots consumer or commercial packs.	Industrial	Manufacture of petroleum products
514102	Lubricants & Grease Trading	includes reselling the high viscosity oil based lubricating substances used for lessening friction in the working parts of a mechanism in order to protect against wear and Transfer heat.	Commercial	Fuel and petroleum products trading
515987	Magnetic Technology Equipment Trading	Includes selling magnetic technology equipment and systems which are involved in the application of agriculture and animal resources, thermal energy, constructions, water treatment, chemical and oil industries...etc.	Industrial	Mechanical & engineering equipment trading
741405	Management Consultancies	Includes providing administrative consultancies and studies to public departments and companies as regarding administrative performance analysis, procedural engineering, laying out flow-charts and related documents circulation, internal policy formulation, organizational restructuring, strategic plans development, innovating work procedures, designing balanced scorecards, such firms are not allowed to conduct field surveys and questionnaire before getting approval from the competent authority.	Consulting	Consultancy -D- management, information and marketing
172900	Manufacture Of Other Textiles	Includes manufacturing the textiles that have no separate activities.	Industrial	Manufacturing of garments and rugs
742134	Manufacturing & Material Engineering Consultancy	Includes providing engineering support and services to steel and metal plants with regard to thermal dynamics, material engineering, interaction engineering, thermal and matter transmission.	Consulting	Other engineering services
514340	Marble & Natural Stones Trading	Includes reselling varieties of marbles and natural stones like granite, basalt, limestone, this activity is limited to firms that trade these materials as crude before any conversional processes except cutting in blocks or slabs for transport purposes.	Commercial	Building materials trading
269602	Marble Cutting, Grinding & Polishing	Includes cutting natural and artificial marble, granite and other stones, in different sizes for using in constructions or for any other industrial purpose, polishing, burnishing and engraving are included as well.	Industrial	Block and building stones industry
292903	Marine Guide Equipment & Tools Assembling	Includes assembling marine guide aids, such as, multi-purpose buoys, signal lantern and remote monitor and control systems, for using in lighthouses, ports and harbors, by costal guard and oil and gas companies.	Industrial	Equipment and engines manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
742172	Marine Projects Engineering Consultancy	Includes firms engaged in providing engineering consultancies and services to marine projects such as floating marinas and infrastructure for waterfronts developments, which would be submitted to the concerned authorities for approval, these firms are not allowed to involve in the designs and drawings of said projects	Consulting	Consultancy -B- Engineering
741302	Marketing Management	Includes firms provide assistance to businesses on marketing products and services to attract and retain customers, involving advice on planning, pricing, sale outlets, it involves digital marketing by using digital channels to promote or market products and services to consumers and businesses, such firms are not allowed to sell the products and services they are promoting. 154916	Mayonnaise Manufacturing	Includes producing mayonnaise using vegetable oil, egg yolk, vinegar or lemon juice, and spices.	Industrial	Food industries
515911	Measuring & Control Systems Trading	Includes reselling of all measurement, observation and control systems and equipment, this applies to land surveying, measurement of quantities, distances, temperature, humidity, height, geographical and environmental changes, also, equipment and devices to control the flow of water, liquids, electricity, gases, regulators of speed and operations of production levels, also, cadastral and meteorology meters, also, devices to automate and control home electrical and electronic appliances.	Commercial	Mechanical & engineering equipment trading
515963	Meat & Fish Processing Equipment & Machinery Trading	Includes reselling of equipment and machines for processing slaughtered cattle, chicken, fish and seafood, including skinning, defeathering, removal of crusts, cleaning and removal of unwanted parts, also, cutting meat in slices, filets, or mincing meat and preparing for cooking.	Commercial	Mechanical & engineering equipment trading
151104	Meat Products Manufacturing	Includes processing food products that of meat origin, such as hot-dogs, conserved minced meat, slices of minced meat (hamburger) and others.	Industrial	Meat processing
151103	Meat Storing & Freezing	Includes freezing meat and packaging in packs or bags to render them consumable.	Industrial	Meat processing
742122	Mechanical Engineering Consultancies	Includes firms which offer mechanical engineering services and consultancies with all or most of their specialties such as industrial production engineering and hydraulics mechanics...etc.	Consulting	Consultancy -B- Engineering

# RAK FTZ BUSINESS ACTIVITY LIST

Activity Code	Activity Name	Description	Licence Type	Activity Group
742152	Mechanical Engineering Consultancy	Includes providing engineering support and services to water desalination and power generation plants with regard to mechanical engineering, machinery designing and computer designed engineering drawing.	Consulting	Other engineering services
742127	Mechanical Power Engineering Consultancy	Includes providing engineering support and services to electric generating stations, air-conditioning, and auto engineering, with regard to thermal dynamics and transmission, to thermal equipment, power plants, and fuel combustion, and propelling systems technology.	Consulting	Other engineering services
369907	Mechanical Seals & Gaskets Manufacturing	Includes manufacturing cork, paper, metal and rubber joints, rings fitted in engines and machines connectors or in combustion chambers covers or gear boxes in order to prevent leakage, heat absorption and friction.	Industrial	Coating, insulations, seals & protection materials manufacture
273204	Medals & Shields Manufacturing	Includes manufacturing souvenir articles such as medals, badges, decoratives and necklaces by means of die casting of various metals such as copper and bronze ... etc.	Industrial	Personal requisities manufacturing
742148	Medical Engineering Consultancy	Includes providing public and private healthcare facilities with consultancies on how to build the facilities as well as the specifications of the equipment and instruments and where to locate. To healthcare industries on how to plan manufacturing, the process flow, analyzing equipment efficiency and marketing planning. To universities and medical institutions on instrumentation and to set standards for students learning and curriculum designing. To public authorities involved in medical equipment and to contracting companies constructing healthcare facilities.	Consulting	Other engineering services
513957	Medical, Surgical Articles & Requisites Trading	Includes reselling of certain instruments and precise medical apparatuses for treating of certain diseases, such as earphones, batteries for cardiac patients, pulse regulators, walking-sticks, splints for bone fractures, medical shoes, artificial limbs, dentures and other medical instruments, also, surgical requisites like artificial organs and parts to replace damaged organs, bone joints, heart valves, in additional to surgical suture bandages and plasters .	Commercial	Medicines trading
515947	Medical, Surgical Equipment & Instruments Trading	Includes reselling instruments and equipment used in hospitals and clinics for diagnosis, treatment, surgical operations, medicine and blood preservation, X-raying, sterilization, waste disposal, physical therapy and rehabilitation, also, manual kits and instruments used for check-up, surgical operations and bandaging.	Commercial	Medicines trading
210908	Melamine Impregnated Paper Sheets Manufacturing	Includes manufacturing cotton paper sheets to use in laminating wooden furniture , the process involves dappling and designing the sheets in different colors and then impregnate in melamine , to turn the laminated surfaces water-proof , chemical and scratch resistant.	Industrial	Manufacturing of paper and paper products
181001	Men's Underwears Manufacturing	Includes manufacturing men undergarments made of woven, knitted or crocheted fabric to be worn under other clothes, whether over the waist like T-shirts or below the waist like pants.	Industrial	Manufacturing of garments and rugs
513111	Men's Garment Trading	Includes reselling men's garments, such as shirts, suits, coats, jackets, socks, ties and others.	Commercial	Ready made garments group
181002	Men's Garments Manufacturing	Includes the manufacture of men's cotton, wool, silk apparel, either knitted or woven. This includes all kinds of shirts, night wear (pyjamas), in-house clothes, beach and bath wear, trousers, shorts, ready made men's suits, ties and others. This activity does not include tailoring and sewing shops, as they are classified under class 3800.	Industrial	Manufacturing of garments and rugs
514220	Metal Alloys Trading	Includes reselling alloys to produce steel plates, structural beams, columns, angles, seamless and welded pipes.	Commercial	Metals & its products trading

Activity Code	Activity Name	Description	Licence Type	Activity Group
361008	Metal Blinds Manufacturing	Includes manufacturing metal, plastic or wooden venitian blinds which are fixed to be vertically or horizontally pleated.	Industrial	Manufacturing of wood, wood products and Furniture
514323	Metal Blinds Trading	Includes reselling metal slat blinds which consist of many horizontal slatsand connected to allow light to pass between the slats.	Commercial	Furnitures trading
289911	Metal Buckets Manufacturing	Includes manufacturing buckets, trays and other metal products used for any purpose other than household utensils, this includes pots and vessels for plantations, laboratories and workshops.	Industrial	Metal containers & boxes manufacturing
289925	Metal Cabinets and Enclosures Manufacturing	Includes Manufacturing of metal cabinets and enclosures made of metal panels and used for protecting electrical and industrial distribution control panels, generators, distribution points and fire extinguishing enclosures, or gas assembling or in ventilation.	Industrial	Metal containers & boxes manufacturing
514211	Metal Cans & Containers Trading	Includes reselling metal cans and containers for the distribution or storage of goods.	Commercial	Metals & its products trading
281112	Metal Doors & Windows Manufacturing	Includes manufacturing steel, aluminum and cooper doors and windows and accessories, whether traditionally styled or bullet and blast resistant styles, frames from the same materials are included.	Industrial	Structural steel manufacturing
289905	Metal Drums & Barrels Manufacturing	Includes manufacturing containers of metal for storage and transportation of water, petroleum products, chemicals and other liquids.	Industrial	Metal containers & boxes manufacturing
514210	Metal Drums & Barrels Trading	Includes reselling containers of metal for storage and transportation of water, petroleum products, chemicals and other liquids.	Commercial	Metals & its products trading
742135	Metal Engineering Consultancy	Includes firms which offer services and consultancies on industrial engineering with its technical and technological specialties such as the use and maintenance of machines and equipment, factory planning, product design and other consultancies concerning factory operation and production planning.	Consulting	Other engineering services
281107	Metal False Ceilings Manufacturing	Includes manufacturing aluminum and galvanized steel false ceilings to work as acoustic and heat isolators as well as decorator.	Industrial	Structural steel manufacturing
281111	Metal Grating Manufacturing	Includes making steel and aluminium mesh by cutting and melting to use in industrial complexes floors and staircases, in balcony and stairs handrails, also the requisites like supports, bolts, angles and handles.	Industrial	Steel workshop
514201	Metal Ores Trading	Includes reselling industrial basic ores for extracting various metals including hematite, bauxite, and zinc ore...etc.	Commercial	Metals & its products trading
281120	Metal Panels Manufacturing Insulation	Includes manufacturing metal panels for proofing heat, humidifying and sounds for fixing in cold storage compartments, refrigerated trailers, furnaces, pre-fabricated houses and factories.	Industrial	Structural steel manufacturing
361009	Metal Partitions Manufacturing	Includes manufacturing readymade partitions used to divide space in offices and open halls, usually fully made of aluminum, sheet iron or other metals, this involves all metal partitions even if certain parts made of wood, plastic or carton.	Industrial	Manufacturing of wood, wood products and Furniture
289201	Metal Products Coating	Includes final or intermediate metal products coating with paints, powders, polishing and protective materials, or by unprecious metals, This can be carried out by using electric, chemical, or conventional coating methods.	Industrial	Coating, insulations, seals & protection materials manufactu

Activity Code	Activity Name	Description	Licence Type	Activity Group
289203	Metal Products Coating With Precious Metals	Includes plating silver ware, cutlery, art works and other metallic products with precious metals such as silver and gold. It also includes gold-plated jewellery.	Industrial	Coating, insulations, seals & protection materials manufacture
514215	Metal Rope trading	Includes reselling metal ropes used in pulling and lifting objects and in industrial uses.	Commercial	Metals & its products trading
289912	Metal Ropes Manufacturing	Includes manufacturing metal ropes used in pulling and lifting objects and in industrial uses.	Industrial	Cotton & metal nets & ropes manufacturing
289922	Metal Sections & Profiles Manufacturing	Includes using of extruded aluminium and metal sheets and pipes in fabricating metallic sections, which are used in turn in manufacturing doors, windows, elevations, false ceilings, staircase railing, balcony railing, frames, furniture and other metal building works.	Industrial	Other metal industries
289901	Metal Utensils Manufacturing	Includes manufacturing bowls, trays and other household utensils made of aluminum, stainless steel, or items plated with protective chinaware layer or a stick-proof layer (Teflon).	Industrial	Metal home appliances manufacturing
289907	Metal Wires Manufacturing	Includes manufacturing metal wires by drawing the metals to use bearing mechanical loads and to carry electricity and telecommunications signals	Industrial	Pipes and wires manufacturing
514214	Metal Wires Trading	Includes reselling metal wires for different uses, in constructions, or as manufacturing intermediary.	Commercial	Metals & its products trading
289913	Metallic Caps & Seals Manufacturing	Includes manufacturing of disposable and reusable metal caps and seals for capping glass, metallic and plastic bottles, cans and containers or others.	Industrial	Metal containers & boxes manufacturing
742178	Meteorology Engineering Consultancy	Includes providing engineering consultancies and services as regarding the scientific study of the atmosphere and the meteorological phenomena which concerns with the observable weather events that are bound by the variables, temperature, air pressure, water vapor that exist in earth's atmosphere.	Consulting	Consultancy -B- Engineering
513119	Military Cloth Ware & Requisites Trading	Includes military gears for the army, police and civil defence, like uniforms, footwear, back bags, belts, sleeping bags, tents, chevron and badges, weapons and ammunition and combat heavy equipment are excluded.	Commercial	Ready made garments group
155401	Mineral Water Bottling	Includes bottling of natural spring and mineral water in consumer packs, included is, the purification, sterilization and bottling, provided that such processes are carried out on sites at the side of springs and wells.	Industrial	water manufacturing and bottling
512223	Mineral Water Trading	Includes reselling mineral water from mineral springs and wells after purification and bottling.	Commercial	Foodstuff trading
742128	Mines, Mining & Geological Engineering Consultancy	Includes providing services and consultancies related to all specialties of mines and mining engineering such as geophysical, geochemical and geomechanical engineering, mining and petroleum geology, ground and surface water geology. It includes studying the underground strata for solidity and the types and specification of rocks and minerals they contain, in addition to analyzing and drawing the technical data for subsequent studies.	Consulting	Consultancy -C- Petrol and Water
742129	Mining & Mines Equipment Engineering Consultancy	Includes providing services and consultancies related to the design, build, installation and commission of mining equipment such as aggregate production line, mineral ore processing plant, sand making plant.	Consulting	Consultancy -C- Petrol and Water
742131	Mining, Oil & Water Geological Consultancy	Includes providing engineering support and consultancies services to companies engaged in oil industry, water well drilling, minerals exploration, petroleum services with regard to rock specifications, subterranean materials mechanism, well drilling and underground water testing engineering, petroleum transport and storage & oil extraction.	Consulting	Consultancy -C- Petrol and Water

Activity Code	Activity Name	Description	Licence Type	Activity Group
342005	Mobile Concrete Mixers Manufacturing	Includes manufacturing mobile concrete mixers loaded on trucks to transport and mix concrete up to the construction site, whether charged with dry materials and water, with the mixing occurring during transport, or they can also be loaded from a «central mix» plant, with this process the material has already been mixed prior to loading.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
515207	Mobile Phones & Accessories Trading	Includes reselling cellular phones which make and receive telephone calls over a radio link while moving around a wide geographic area, beside telephony they support a wide variety of services such as text messaging, email, Internet access, gaming and photography, it involves selling different accessories such as memory card, car chargers, batteries, leather cases, screen protectors, Bluetooth headset, data cables, silicone skins, holders...etc.	Commercial	Electronics group
515981	Monetary & Banking Equipment Trading	Includes reselling monetary and banking operations equipment and machines, including A.T.M., currency and stock displays, currency counters, currency and banknotes detectors, cheque numbers typewriters, money collectors, credit cards identifiers...etc.	Commercial	Mechanical & engineering equipment trading
269504	Mosaic Tiles Manufacturing	Includes manufacturing mosaic tiles by means of assembling small pieces of colored stones to create different images to use in interior decoration.	Industrial	Block and building stones industry
343006	Motor Vehicles Spare Parts Manufacturing	Includes manufacturing diverse parts and accessories such as brakes, gearboxes, radiators, silencers, exhaust pipes, steering wheels, used fully or partially in repairing and maintaining motor vehicles.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
359100	Motorcycles Manufacturing	Includes manufacturing the of powered two or three-wheelers motorcycles, low-powered mopeds, off-road motorcycles for cruising in paved roads or for off road use.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
504006	Motorcycles Spare Parts & Accessories Trading	Includes reselling the parts and components used for the repair or replacement of motorcycles failed parts, also the motorcyclists' accessories such as helmets.	Commercial	Trading in motor vehicles and motorcsyles
504001	Motorcycles Trading	Includes reselling the two or three wheeled motorized motorcycles for cruising in paved roads or for off road use.	Commercial	Trading in motor vehicles and motorcsyles
222108	Multi-Dimensional Images Production (Hologram)	Includes multi-dimensional imaging (two or three-dimensional) or hologram imaging by means of sophisticated technology specially applying laser on mediums like thermal paper, stickers or tapes (films) useable on promotions, and anti- counterfeiting.	Industrial	Printing and publishing services
513907	Multi-Dimensional Images Trading (HOLOGRAM)	Includes firms that supply other concerns with multi-dimensional imaged posters, pictures and stamps as per their commercial and professional equipment, these firms are not involved in the production process, but by specialized printing houses which are classified under No. 2221-08.	Commercial	Stationary and books trading
921415	Music Consultant	Includes firms which provide consultation on the organization of events such as recitals, concerts, dance, chamber music, etc., as well as consultation on instrumental education and performance. This also includes promotional activities for performers and events through a licensed media provider.	Consulting	Consultancy -D- management, information and marketing
513946	Musical Instruments & Requisites Trading	Includes reselling electronic and normal musical instruments like stringed, wind, percussion instruments, pipes, accordions, organs, including also the parts and accessories.	Commercial	Electronics group
369200	Musical Instruments Manufacturing	Includes manufacturing electronic and normal musical instruments like stringed, wind, and percussion instruments, pipes, accordions, organs, including also the parts and accessories.	Industrial	Appliances and machinery manufacturing

154915	Natural (Organic) Food Manufacturing	Includes manufacturing natural organic food from vegetables, fruits and cereals, produced free from chemical fertilizers, pesticides and pollutants, no additives, artificial flavours, colours or preservatives are added at the packaging process.	Industrial	Food industries
741304	Natural Gas Technology Marketing	Includes firms conduct operations and activities to explore the demand on natural gas technology in order to assist the firms involved in such technology to how to meet such demands.	Consulting	Consultancy -D- management, information and marketing
315003	Neon Signs Manufacturing	Includes fabricating neon tube signs by the craft of bending plastic and glass tubing into shapes and is filled with neon gas.	Industrial	Advertising
172301	Nets Manufacturing	Includes manufacturing nets from fibers like nylon and are woven in a grid-like structure in order use for catching fish and birds or to use in dividing the court in racket games such as tennis and badminton.	Industrial	Cotton & metal nets & ropes manufacturing
721002	Network Consultancies	Includes providing comprehensive professional consultancies to IT organizations to help them match their needs with the networking solutions, it involves securing, analyzing and designing network solutions that maintain the security and integrity of their IT assets.	Consulting	Consultancy -D- management, information and marketing
501001	New Passenger Motor Vehicles Trading	Includes reselling of new motor vehicle for personal passenger use, or for commercial use including rental and taxi services.	Commercial	Trading in motor vehicles and motorcycles
742161	Noise Control, Vibration & Acoustics Consultancy	Includes offering noise control, vibration & accoustics services for commercial and industrial sectors. The objective is to address noise impact of loud sources near noise sensitive areas such as hospitals, airports, mosques, theatres, cinema halls...etc. It involves measures design, technical specifications setting, execution and supervising.	Consulting	Consultancy -B- Engineering
155405	Non- Alcoholic Malt Beverage Manufacturing	Includes malt brewed from barley, hops, and water through series of processes and distillations to remove the ethanol (alcohol).	Industrial	water manufacturing and bottling
514916	Non Edible Oil Trading	Includes reselling of vegetable and animal non-edible oil used for industrial purposes.	Commercial	Chemicals trading
331302	Non Electrical Measuring & Control Systems Manufacturing	Includes manufacturing non- electric measuring equipment, mainly water meters, taxi-meters and others, also includes surveying, weight, quantity measuring equipment.... etc.	Industrial	Appliances and machinery manufacturing
514203	Non Ferrous Metal Trading	Includes reselling of blocks, partitions, panels, rods, or ingots made of other non-ferrous metals, including aluminum, copper or zinc for various uses.	Commercial	Metals & its products trading
273202	Non-Ferrous Metal Casting	Includes manufacturing of metallic products from non-ferrous ingots and wastes (excluding iron and precious metals), such as aluminum, copper, zinc and others by means of molding, purifying or conversion into ingots, blocks or cylinders, so that they can be re-used or reformed.	Industrial	Casting of steel and iron
514204	Non-Manufactured Precious Metal Trading	Includes reselling of the basic ores of gold, silver, platinum and other precious metals in pre-extraction condition, or in the form of ingots, blocks, threads or chips in pre- forming manufacturing.	Commercial	Jewellery trading
269100	Non-Structural Non-Refractory Ceramic Ware Manufacturing	Includes manufacturing chinaware, ceramic and pottery products to use as household utensils and novelties.	Industrial	Glass & chinaware manufacturing
513934	Novelties Trading	Includes reselling of paintings, historical photographs, statues, antiquity utensils, as well as other art works made of silver, copper, wood, ivory, crystal, glass or others.	Commercial	Ready made garments group

Activity Code	Activity Name	Description	Licence Type	Activity Group
151312	Nuts Roasting & Packaging	Includes roasting and salting nuts such as peanuts, pistachio, caju and almond, in well sealed packs or bags and make ready for marketing.	Industrial	Foodstuff mills and packaging
512221	Nuts Trading	Includes reselling of all kinds of nuts, such as pistachio, almond, and peanuts, whether raw or after b peeling, processing, roasting, salting or packing in well sealed packs for consumption.	Commercial	Floor mills
513949	Occupational Hygiene & Safety Requisites Trading	Includes reselling protective helmets, gloves and anti-radiation eyeglasses and other instruments and kits for protecting workers from occupational hazard in factories, oilfields, civil construction sites and workshops.	Commercial	Building materials trading
504003	Off Road Karts & Spare Parts Trading	Includes reselling three or four wheeled vehicles which run by petrol and used for recreation and sports, also, spare parts and components.	Commercial	Trading in motor vehicles and motorcycles
359101	Off Road Karts Assembling	Includes assembling the parts and components to produce the powered two or three-wheelers motorcycles, low-powered mopeds, off-road motorcycles for cruising in paved roads or for off road use.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
515938	Office Equipment Trading	Includes reselling office equipment in public and private facilities and banks, including , automatic and manual file shelves and cabinets, files moving carriages, safes, paper shredders, day and time attendance machines, paper and document binders and laminators, cards printers laminating and other equipment except office furniture.	Commercial	Mechanical & engineering equipment trading
361004	Office Furniture Manufacturing	Includes manufacturing office furniture of metal or wood and in various styles, colors and finishes, and intended for reception, desking, seating, screens, storage, conferences, boardrooms, waiting areas.	Industrial	Manufacturing of wood, wood products and Furniture
515907	Office Furniture Trading	Includes reselling of office desks, chairs, tables, cabinets and others, trading of office equipment and shops fittings is classified under class 5150.	Commercial	Furnitures trading
289923	Offset Printing Plates Manufacturing	Include transforming thin metal and aluminum plates into lithographic plates wrapp round the cylinders of the offset printing machines.	Industrial	Other metal industries
281108	Oil & Gas Fields Equipment Manufacturing	Includes manufacturing oil and natural gas extraction equipment such as drill pipes, balancing systems diversion connectors, well head repair, as well as oil flow from oilfields to storage tanks equipment and fittings, except rigs and oilfield platforms, they are classified under activity No. 2811-04.	Industrial	Equipment and engines manufacturing
742154	Oil & Gas Tanks Pipes Construction Engineering Consultancy	Includes providing consultancies and services as regarding the civil work to lay the pipeline and the construction of the pump/compressor stations, in order to bring crude oil or natural gas from wells to the tanks at the treatment plant or processing facility, or to take the products to the final consumers.	Consulting	Consultancy -C- Petrol and Water
742109	Oil & Natural Gas Exploration Consultancies	Includes firms having experience and knowledge which provide consultancies to the facilities involved in oil and gas industry as regarding optimize production and mitigate potential issues associated with oil and gas exploration and production, including reservoir issues, production fluids, geological issues, productivity decline, corrosion testing, production delays, risk analysis and assessment.	Consulting	Consultancy -C- Petrol and Water

Activity Code	Activity Name	Description	Licence Type	Activity Group
742142	Oil Exploration Engineering Consultancy	Includes providing hydrographic, land and geophysical survey services with regard to oil and natural gas exploration. These activities are restricted to exploration without extending to extraction and exploitation.	Consulting	Consultancy -C- Petrol and Water
742133	Oil Refining Engineering Consultancy	Includes providing engineering consultancies to oil and gas industries and fertilizers factories with regard to oil refining engineering, thermodynamics, chemical engineering, control process, gas processing, thermal and bloc transmission.	Consulting	Consultancy -C- Petrol and Water
515906	Oilfield & Natural Gas Equipment & Spare Parts Trading	Includes reselling the equipment involved in the various operations of oil and natural gas production, from primary stages of survey and exploration up to storage, including equipment related to drilling, pumping, gas liquefaction, refining and transportation.	Commercial	Mechanical & engineering equipment trading
281116	Oilfield Drilling Equipment & Components Manufacturing	Includes manufacturing oilfield drilling equipment for extracting petroleum from oil reservoirs in the earth whether by percussion or rotary drilling, it involves the equipment for power system, hoisting system, rotary system, top drive system, circulating system and well control system.	Industrial	Equipment and engines manufacturing
513940	Old Postage Stamps & Currencies Trading	Includes selling, buying and exchanging old and memorial postage stamps, coins and bank notes, phone cards, celebrities' photos, whether set in historical order, collectively or individually, activity no.(513508) « Trading of Novelties» is not included.	Commercial	Separate trading activities
332000	Optical Products Manufacturing	Includes manufacturing ophthalmic goods, eyeglasses, sunglasses, lenses ground to prescription, contact lenses, safety goggles	Industrial	Manufacture of eyeglasses
513104	Oriental Carpets Trading	Includes reselling manually woven oriental carpet.	Commercial	Furnitures trading
341003	Outfitting Vehicles for Safe Transport	Includes workshop specialized in and modifying the exterior or the interior of the automobiles or vehicles to resist attempts of robbery and hijacking, in order to protect and ensure the well-being of the transported individuals, money, Jewelry or other valuable contents, it involves armoring to become bullet proof and can withstand extreme degrees of heat.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
515940	Packing & Packaging Equipment Trading	Includes reselling semi-automatic and automatic packing and packaging equipment and machinery, for wrapping, bagging, sealing materials.	Commercial	Mechanical & engineering equipment trading
291921	Packing & Packaging Machines Assembling	Includes assembling semi-automatic and automatic packing and packaging equipment and machinery, for wrapping, bagging, sealing materials.	Industrial	Appliances and machinery manufacturing
210203	Packing & Packaging Materials Manufacturing	Includes the manufacture of all materials used in the wrapping and packing of industrial products, such as ordinary paper packs and packages or others made of wax, nylon chips or printed plastic chips. This includes metallic wrapping materials such as aluminum chips or compound materials manufactured from several of the above-said materials.	Industrial	Manufacturing of paper and paper products
514929	Packing & Packaging Materials Trading	Includes reselling freight packing and wrapping, industrial packaging materials, including packs, boxes, panels, sheets, foils and straps made of paper, plastic or metal materials or other substances.	Commercial	Bags, backaging materials & paper trading

Activity Code	Activity Name	Description	Licence Type	Activity Group
515208	Paging Receivers Trading	Includes the resale of wireless paging devices operated as telecommunication systems to receive messages and telephone number, other telecommunication devices are classified in class 5150	Commercial	Electronics group
514339	Paint & Varnish Trading	Includes reselling of liquid or powdered paints and varnish painting buildings, cars, ships, furniture, including thinners, thickeners, pastes and base paints as well as varnish and similar materials.	Commercial	Building materials trading
515925	Painting Equipment Trading	Includes reselling painting, polishing or burnishing equipment and machinery.	Commercial	Mechanical & engineering equipment trading
513935	Paintings & Frames Trading	Includes reselling paintings made by renowned artists or others.	Commercial	Ready made garments group
210204	Paper Bags Manufacturing	Includes manufacturing the one layer or multiple layers bags for packaging and wrapping materials.	Industrial	Manufacturing of paper and paper products
210202	Paper Boxes & Containers Manufacturing	Includes the manufacture and printing of boxes and packing bags made of carton paper, water proofing plastic or wax coated paper, or paper lined with tin , aluminum or other materials which are used for packing of various industrial products.	Industrial	Manufacturing of paper and paper products
210100	Paper Manufacturing	Includes the manufacture of journal, writing, drawing, typing, and wrapping paper, made of wood, paper residues or fibers pulp.	Industrial	Manufacturing of paper and paper products
210901	Paper Plates & Dishes Manufacturing	Includes manufacturing disposable paper bowls, plates and dishes to use indoor and outdoor.	Industrial	Paper home appliances manufacturing
513964	Paper Products Trading	Includes reselling paper or carton products, including tableware, plates, cups, napkins, facial tissues, toilets paper, paper towels, diapers, sanitary napkins, except stationery items under no.5133-07.	Commercial	Medicines trading
210907	Paper Stationery Manufacturing	Includes the manufacture of paper products for office use, such as computers and photocopiers paper, calculator rolls, cash machine and other similar paper products.	Industrial	Manufacturing of paper and paper products
514928	Paper Trading	Includes reselling of paper made up of natural ingredients, semi- synthetics or recycled and set in rolls, foils and carton sheets for commercial and industrial uses as in newspapers, printing, packaging, construction, stationery and photocopying paper is excluded as it is classified under No. 5133930	Commercial	Bags, backaging materials & paper trading
513956	Para Pharmaceutical Products Trading	Includes reselling para-pharmaceutical products not directly used for medication or treatment, including plasters, after-shave lotions, creams, anti-smoking products, tooth pastes, mouth wash and others sterilization products.	Commercial	Medicines trading
749943	Parents of Children with Disabilities Consultant	Includes providing counseling and support to the families of children who suffer disabilities on how to handle their children cases, as regarding , the right school and education , defining each case , scheduling diagnosis and re-evaluation , set goals for the children , assist the families in overcoming the psychological impact of having disabled children.	Consulting	Consultancy -D- management, information and marketing
154401	Pasta & Macaroni Manufacturing	Includes making pasta and macaroni semolina flour, including kneading, forming and packing.	Industrial	Foodstuff mills and packaging
154102	Pastry & Sweets Manufacturing	Includes preparing pastry made of flour, sugar, milk, butter and eggs, and is baked to be flaky and firm enough to support the weight of the filling.	Industrial	Bread manufacturing
512217	Pastry Trading	Includes reselling pastries in deferent fillings and ready for consumption.	Commercial	Foodstuff trading

Activity Code	Activity Name	Description	Licence Type	Activity Group
513929	Pearls & Precious Stones Trading	Includes reselling of natural, cultured and artificial pre-formed pearl, as well as diamond, corundum, emerald, coral and other jewellery and precious stones prior to cutting, polishing and making various types of jewels, artificial precious stones are also included.	Commercial	Jewellery trading
369901	Pens & Writing Instruments Manufacturing	Includes manufacturing different kinds of pens, fountain pens, ball-point pens, pencils as well as other writing instruments used in drawing and engraving.	Industrial	Stationary manufacturing
513958	Perfumes & Cosmetics Trading	Includes reselling different types of concentrated or light perfumes whether manufactured synthetically or extracted from plant or animal sources, also cosmetics, such as body creams and lotions as well as various types of eye make-ups and facial cosmetics.	Commercial	Ready made garments group
749507	Perfumes Blending & Bottling	Includes making new perfumes either by blending natural essential oils extracted from plants or animal product, or blending synthetic perfume chemicals.	Industrial	Packing services
242403	Perfumes Manufacturing	Includes manufacturing different types of concentrated or light perfumes (toilet water) whether from synthetic or natural fragrant compounds (except eastern perfumes). Also included are after shaves, shaving creams, body lotions, deodorants, clothes and floor cover fragrances. The perfumes concerned could be in liquid, solid or powder forms.	Industrial	Manufacturing of chemicals
513965	Persons with Special Needs Equipment Trading	Includes reselling equipment and articles for the handicapped or persons with temporary or permanent disabilities and senior citizens. They are designed to work as artificial or auxiliary organs during the medical treatment process or permanently replacing an amputated organ. It involves wheelchairs, walkers, special beds as well as pacemakers and controlling devices for hypertension, diabetes, cholesterol and hearing aids.	Commercial	Medicines trading
515942	Pest Control Equipment Trading	Includes reselling pests control and fighting devices, except pesticides which are classified under activity no.5150-02	Commercial	Mechanical & engineering equipment trading
741424	Pests Management Consultancy	Includes providing technical consultancy in relation with public health and pests control. It includes training in pests management techniques.	Consulting	Consultancy -A- Agriculture and Soil
742160	Petrochemical Engineering Consultancy	Includes providing petrochemicals and chemicals engineering support to factories that uses petrochemicals, in manufacturing paints, detergents and synthetic fibres.	Consulting	Consultancy -C- Petrol and Water
515989	Petrol Station Equipment Trading	Includes reselling fuel dispenser for pumping fuels into vehicles.	Commercial	Mechanical & engineering equipment trading
742155	Petroleum Refining plants Engineering Consultancy	Includes providing engineering support and services to oil companies and refineries with regard to thermal dynamics and transmission, fluids mechanics, petroleum refining engineering, interaction process engineering, and oil refining industries including laboratories and stations construction and operation and production planning.	Consulting	Consultancy -C- Petrol and Water
513947	Photographic Equipment & Accessories Trading	Includes reselling cameras, whether traditional using photographic film, or digital that take video or still photographs, also cameras for TV shooting, motion picture, and video, underwater and aerial photography.	Commercial	Electronics group
515979	Photographic Processing Equipment Trading	Includes reselling photographic processing apparatus which transform the latent image into a visible printable image, it involves manual small scale processing as well as the automatic commercial processing equipment.	Commercial	Mechanical & engineering equipment trading
514912	Photography Processing Materials Trading	Includes reselling photography processing chemicals and photographs printing papers.	Commercial	Chemicals trading

Activity Code	Activity Name	Description	Licence Type	Activity Group
742150	Physical Engineering Consultancy	Includes providing physics engineering consultancies and services as regarding physics in order to provide a more thorough grounding in applied physics for a selected specialty such as optics, quantum physics, materials science, applied mechanics, nanotechnology, microfabrication, mechanical and electrical engineering.	Consulting	Other engineering services
151309	Pickle Processing	Includes producing pickle from fruits and vegetables or any agricultural product, then packing in small commercial packs saleable directly to consumers, or set in bulks to sell to commercial and industrial firms.	Industrial	Food industries
172108	Pillows & Cushions Manufacturing	Includes manufacturing pillows and cushions for bedrooms and sitting rooms.	Industrial	Manufacturing of garments and rugs
269908	Pipelines Coating	Includes coating and lining water, oil or drainage pipelines, submerged under water or embedded underground with water sealants, non - humidity infiltrators, anti-erosion, rust-proofing materials.	Industrial	Coating, insulations, seals & protection materials manufactu
514318	Pipes & Fittings Trading	Includes reselling galvanized and corrosion resistant steel pipes for oil and gas industries, also, plastic or rubber hoses and tubes for extending water and drainage networks, electric wires, including also, joints, knobs, spigots, taps, valves and others.	Commercial	Building materials trading
742140	Planning & Photogrammetry Engineering Consultancy	Includes firms engaged in aerial photography, as well as photogrammetry and space images and related services, digital photogrammetric mapping such as base, topographic, thematic mapping as well as land use, cover characterization and classification.	Consulting	Other engineering services
369908	Planters Manufacturing	Includes manufacturing the plastic, wood or stone containers in which flowers and plants are cultivated and displayed, as well as transporting plants to new locations.	Industrial	Personal requisities manufacturing
514909	Plastic & Nylon Raw Materials Trading	Includes reselling of high or low density chemicals (plastics ) for manufacturing plastic products, nylon and PVC, whether granules or polyethylene, polypropylene, polystyrene or others.	Commercial	Chemicals trading
369401	Plastic Toys Manufacturing	Includes manufacturing indoor and outdoor kids plastic toys such as inflatable items, playgrounds, electric cars, swings, climbers, water parks. electronic games, boats, airplanes.	Industrial	Personal requisities manufacturing
742136	Plastics Engineering Consultancy	Includes providing engineering support and services to plastic, sponge, furniture and synthetic fibres industries with regard to polymers science, mattar and thermal dynamics transmission.	Consulting	Other engineering services
291920	Plate Heat Exchangers Assembling	Includes reselling metal components used to heat or cool one fluid by transferring heat between it and another fluid.	Industrial	Equipment and engines manufacturing
515988	Plate Heat Exchangers Trading	Includes reselling metal components used to heat or cool one fluid by transferring heat between it and another fluid, such technology has been applied in industrial facilities and power generation plants.	Commercial	Mechanical & engineering equipment trading
201001	Plywood Manufacturing	Includes the manufacture of cross-wood boards, plywood boards, pressed granular wood boards, wood paste boards(MDF), or other types of wood boards.	Industrial	Manufacturing of wood, wood products and Furniture

Activity Code	Activity Name	Description	Licence Type	Activity Group
724003	Portal	Includes firms operating websites that act as portals to the Internet to link buyers and sellers as well as services providers and users together to make deals, the role of such firms is restricted to brokerage only apart from finalizing the transactions between said parties, these firms are not allowed to conduct business for themselves.	Commercial	Consultancy -D- management, information and marketing
515978	Ports & Marine Guide Equipment Trading	Includes reselling ports and harbors equipment and fixtures, including installations ships and boats berths, loaders and unloaders, container movers, traffic control and monitors, signals and marine guide devices and lighthouses.	Commercial	Mechanical & engineering equipment trading
742107	Ports Engineering Consultancies	Includes firms engaged in providing consultancies and construction designs of ports and harbors, involving studying the effect of sea waves on coasts and how to control, port planning, design of breakwaters of birth and anchorage.	Consulting	Consultancy -B- Engineering
151311	Potato Chips Manufacturing	Includes processing potato chips from fresh potato to serve as an appetizer or snacks, including slicing, frying and adding spices, cheeses and flavorings.	Industrial	Food industries
512233	Potatoes Trading	Includes reselling fresh potatoes after sorting, cleaning and packaging.	Commercial	Foodstuff trading
151105	Poultry Products Manufacturing	Includes processing food products that of poultry meat origin, such as poultry minced meat, slices, hot dogs, and nuggets. This includes preparing, seasoning, packaging and canning for final consumption.	Industrial	Meat processing
242405	Powder Detergents Manufacturing	Includes manufacturing washing powder of mixtures of chemical compounds used for cleaning laundry.	Industrial	Manufacturing of chemicals
742118	Power & Automatic Control Engineering Consultancy	Includes providing engineering support and services to power stations and water desalination plants and to the fully automated factories with regard to control engineering and dynamic systems.	Consulting	Other engineering services
312004	Power Control Switchgear & Distribution Panels Assembling	Includes manufacturing electric power control switchgears and electrical control devices, such as motors controllers, electronic control devices, electric magnetic brakes and others, this applies to marine equipment and others.	Industrial	Ship building and repairing
312002	Power Control Switchgears Manufacturing	Includes manufacturing electric power control switchgears and electrical control devices installed in industrial facilities, such as motors controllers, electronic control devices, electric magnetic brakes and others.	Industrial	Appliances and machinery manufacturing
313001	Power Distribution Cables Manufacturing	Includes manufacturing multi-phase insulated cables made of copper, aluminum or other conductive substances, used for transmission and distribution of electric power.	Industrial	Pipes and wires manufacturing
312001	Power Distribution Equipment Manufacturing	Includes manufacturing electric power transmission and distribution equipment, such as, current supply and frequency controllers.	Industrial	Equipment and engines manufacturing
312003	Power Distribution Panels Manufacturing	Includes manufacturing the component of the electricity supply system which divides an electrical power feed into subsidiary circuits to control power supply in different facilities, it also involves the steel enclosure to accommodate such system.	Industrial	Appliances and machinery manufacturing
515955	Power Generation, Transmission & Distribution Equipment Trading	Includes reselling of power stations turbines, generators, and reactors, transmission and feed equipment, distribution keys, panels, current rectifiers, control systems and others for private or public use.	Commercial	Mechanical & engineering equipment trading
311004	Power Generators & Transformers Assembly	Includes assembling the devices which produce electrical energy from mechanical energy in order to generate electricity, also the transformers used to transform voltage from a higher voltage to a lower voltage.	Industrial	Equipment and engines manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
313007	Power Supply Wires Accessories Manufacturing	Includes manufacturing the covers and protectors of the electric cables and wires made of flexible rubber, plastic or polyurethane for transporting electricity across buildings, industrial facilities or even across the streets.	Industrial	Pipes and wires manufacturing
313002	Power Supply Wires Manufacturing	Includes manufacturing by drawing metal through a hole in a die or draw plate to use in carrying electricity from places of generation to consumers.	Industrial	Pipes and wires manufacturing
311002	Power Transformers Manufacturing	Includes manufacturing the devices that convert an alternating (A/C) current of a certain voltage to an alternating current of different voltage, it involves lower, medium and higher voltage transformers.	Industrial	Appliances and machinery manufacturing
269507	Precast Building Manufacturing	Includes manufacturing parts or complete units of the precast buildings by means of blocks precasting, then transporting and installing on site.	Industrial	Block and building stones industry
269511	Precast Concrete Tanks Fabrication	Includes manufacturing reservoirs, tanks for storage or manufacturing use by casting concrete on mould to cure it in a controlled environment before transporting it to the storage site.	Industrial	Block and building stones industry
369103	Precious Stones Cutting & Polishing	Includes cutting, polishing, burnishing of precious stones into small pieces to prepare for jewellery making.	Industrial	Manufacture of gold and precious stones cutting
273103	Precision Dies Manufacturing	Includes manufacturing precision dies from iron and metal ingots by smelting and molding, in such a way they become reusable by factories and workshops for making various metallic, plastic and clay products.	Industrial	Other metal industries
514212	Precision Dies Trading	Includes reselling of precision dies for metal or plastic molding to make metal or plastic products.	Commercial	Metals & its products trading
202202	Pre-Fabricated Building Manufacturing	Includes firms specialized in the manufacture of pre-fabricated buildings entirely or partly made of wood, or other materials, and are installed on site at different stages, or at once, involving also conversion and fitting of metal freight containers to be offices or food courts or first aid clinics This activity does not include firms specialized in manufacturing concrete buildings classified under activity no. 2695-07.	Industrial	Manufacturing of wood, wood products and Furniture
514315	Pre-Fabricated Houses Trading	Includes reselling permanent or temporary pre-fabricated houses made of wood, cement, steel or any other materials, and other related structural metal parts and requisites...etc.	Commercial	Building materials trading
281203	Pressure Vessels Manufacturing	Includes manufacturing closed container designed to hold gases or liquids at a pressure different from the ambient pressure to use in different industries, oil, foodstuff, chemicals and petrochemical.	Industrial	Metal containers & boxes manufacturing
300004	Printers Cartridges Assembly	Includes producing reusable printers cartridges by assembling parts of different brands.	Industrial	Light aircraft manufacturing & maintenance
289929	Printing Cylinders Manufacturing	Includes manufacturing printing cylinders for different printing processes and techniques such as letterpress, photogravure, offset lithography printing, engraving and intaglio.	Industrial	Appliances and machinery manufacturing
515929	Printing Equipment & Instruments Trading	Includes reselling machines for different printing processes and techniques and on a variety of materials, such as letterpress, photogravure, offset lithography printing, engraving and intaglio, textile screen Printing, hand printing sets, binding.	Commercial	Mechanical & engineering equipment trading
289204	Products Coating	Includes applying covering to the surfaces of products by any mean of coating processes, whether for functional purposes to change the surface properties of the substrate or for decorative purposes.	Industrial	Coating, insulations, seals & protection materials manufactu

Activity Code	Activity Name	Description	Licence Type	Activity Group
742144	Products Design Consultancy	Includes designing the models of commodities and products prior to mechanical or manual production. Fabrics, furniture and personal household and professional appliances are involved. It includes pre-manufacturing drawings, setting technical specifications, materials and production costs calculation, and testing to ensure compliance of materials with safety and quality standards. No engineering design elaborated in separate activity in this class or elsewhere is embodied herein.	Consulting	Other engineering services
741417	Project Development Consultant	Includes firms specialized in providing studies and consultancies on the development of the projects carried out by real estate investment companies and others, including , project elements , draw up strategies of development opportunities , economic feasibility and marketing , revising development requirements and obstacles , supervising execution progress, the minimal qualifications required is bachelor degree in business administration or engineering, along with three years hands-on experience, it's not allowed to use this activity to practice engineering consultancies.	Consulting	Consultancy -D- management, information and marketing
741432	Project Management Consultancy	Includes firms specialized in managing and guiding project processes from start to finish as regarding planning, organizing, motivating, and controlling resources, procedures in order to achieve all of the project goals, it involves managing budgets, resources and relationships to achieve organizational objectives, planning, developing schedules to ensure timely completion of projects.	Consulting	Consultancy -D- management, information and marketing
742138	Projects Management Engineering&Technical Feasibility Studies Consultancy	Includes firms which work out primary technical and economical studies for constructions projects and for different commercial and economic establishments. These services also include preparation of tender documents, prequalification of consultants and contractors, assessment of financial offers and follow up of execution on the technical and engineering levels.	Consulting	Consultancy -B- Engineering
181009	Protective Garments & Vest Manufacturing	Includes the manufacture of various garments such as vests, coats, gloves, trousers and other protective garments against external hazards including gun shots, radiation, heat, humidity and rain.	Industrial	Manufacturing of garments and rugs
513114	Protective Garments & Vests Trading	Includes reselling protective costumes and vests for different uses, like fire resistant wears, athletes and medical wears, also, body cooling vests, which can be wore under and above clothes.	Commercial	Ready made garments group
741415	Public Relations Management	Includes firms perform as connecting link between commercial entities and the media to introduce and shed light on their activities and achievements as well as promoting corporate image through leaflets, produce information reflecting transparency, establish positive relations with customers by visits and participation in gatherings, enhance their employees sense of belonging.	Consulting	Consultancy -D- management, information and marketing
291203	Pumps Assembling	Includes assembling the devices that enable fluids whether liquids or gases move by mechanical action from suction side to discharge side, they include gear pumps, centrifugal pump, axial flow pumps, reciprocating pumps and hydraulic pumps	Industrial	Equipment and engines manufacturing
291201	Pumps Manufacturing	Includes manufacturing the devices that enable fluids whether liquids or gases move by mechanical action from suction side to discharge side, they include gear pumps, centrifugal pump, axial flow pumps, reciprocating pumps and hydraulic pumps.	Industrial	Equipment and engines manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
515952	Pumps, Engines, Valves & Spare Parts Trading	Includes reselling pumps for water or other liquid pumping, engines and machines for transport means like ships, boats, vehicles. It also includes industrial and automatic equipment and fittings, as well as various types and sizes of valves for different industrial and mechanical purposes, and spare parts needed to repair and maintain such pumps, compressors, engines and valves.	Commercial	Mechanical & engineering equipment trading
242912	Purification Materials Manufacturing	Includes manufacturing solid, liquid or powdered materials for purifying water and other fluids by removing contaminants, such as the power added to the narghile water to absorb nicotine and tar.	Industrial	Manufacturing of chemicals
410001	Purification of Potable Water	Includes firms engaged in treating potable water impurities purifying, sea-water desalination, as well as adding anti-stagnation or teeth anti-decay substances, it also includes bottling and marketing.	Industrial	water manufacturing and bottling
741407	Quality & Standardization Consultants	Includes firms engaged in services consultancies aiming at improving the standard of quality of the services and products which are provided by the services and the industrial sectors. It also includes providing standardization consultancies on services and products to confirm with standard specifications.	Consulting	Consultancy -D- management, information and marketing
501007	Racing Cars Trading	Includes reselling different racing cars, which are exclusively restricted to racing tracks.	Commercial	Trading in motor vehicles and motorcycles
343001	Radiator Manufacturing	Includes manufacturing radiators used for cooling internal combustion engines automobiles radiators through heat exchanging process, the cooling involves passing water through the engine block, where it absorbs heat from the engine, then the hot water is then fed into the radiator which releases the heat to the ambient air.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
515914	Radio, T.V. Stations, Cinema & Theatre Equipment Trading	Includes reselling of cameras, lightings, projectors, loudspeakers and montage systems used in broadcasting stations and television studios, as well as cinema and theater and radio and television transmission.	Commercial	Mechanical & engineering equipment trading
742164	Railway Development Engineering Consultancy	Includes providing engineering consultancies and services with regard to setting up and develop railway framework, including project feasibility studies, track design and specification, civil engineering and construction, strategic operations planning, maintenance management, demand forecasting, impact of noise and vibration and pollution on environment, overall project development & management	Consulting	Consultancy -B- Engineering
514939	Raw Materials Trading	Includes reselling of mineral ores and organic raw materials used in manufacturing and handcrafting and which are only exploitable after going treatments, extraction or formation processes, they involve pulpwood to make papers, shells for shell handicrafts, extracts and natural herbs for perfumes, medicines and cosmetics, also minerals ores such as sand and rocks for extracting metals, salts and other similar raw materials. This activity does not include what being processed, manufactured or sem	Commercial	Chemicals trading
742157	Raw-Materials Composition Engineering Consultancy	Includes providing services and consultancies related to the substances or components of the raw materials which have certain physical properties that are used as inputs to production or manufacturing in order to ensure compliance with the relevant industry standards.	Consulting	Other engineering services
269506	Ready Mixed Concrete Manufacturing	Includes the concrete that is manufactured in a factory or batching plant, according to a set recipe, and then delivered to a work site by truck mounted in transit mixers.	Industrial	Block and building stones industry

Activity Code	Activity Name	Description	Licence Type	Activity Group
513107	Readymade Garments Trading	Includes reselling outerwear and underwear for men, women and children such as coats, suits, jackets, skirts, shirts, trousers, shorts, coats, gloves, swimming wear, socks.	Commercial	Ready made garments group
514326	Readymix Concrete Trading	Includes reselling the concrete is manufactured in a factory or batching plant, according to a set recipe, and then delivered to a work site, by mixers mounted on trucks.	Commercial	Building materials trading
741404	Real Estate Consultancies	Includes providing sound advice to potential buyers as well as developing strategies to achieve their goals and objectives, it involves showing properties, analyzing sales statistics, sourcing appraisers, referring mortgage service providers, contractors and renovation providers, examining contracts before making offers, closing and escrow expertise.	Consulting	Consultancy -D- management, information and marketing
514103	Refined Oil Products Trading	Includes reselling of oil products derived from converting crude oil in refineries to use in petrochemical industries, including methanol, urea, olivine and others, or fuels of motor vehicles, airplanes such as gasoline, kerosene, diesel, fuel oil, sulfur and nitrogen compounds, or heavy products such as tar, fuel , heavy oil, lubricating oil, wax and other products not detailed in this class.	Commercial	Fuel and petroleum products trading
261008	Reflective, Enamelled & Insulant Glass Production	Includes processing glass sheets by means of enameling with reflective material to acquire the ability of reflecting sunlight and heat. It also includes coating glass sheets with the required material to act as an insulator against heat, sound and strong light or others.	Industrial	Glass industries
342003	Refrigerated Trailers Manufacturing	Includes manufacturing the refrigerator truck designed to carry perishable freight at specific temperatures which can be equipped with any one of a variety of mechanical refrigeration systems powered diesel engines.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
515912	Refrigeration & Cold Storage Equipment Trading	Includes reselling central foodstuff, medicines and chemicals coolers or freezers, including cold compartments, and freezers used for cold storage in groceries and supermarkets, household refrigerators and freezers are classified under activity 5139-15).	Commercial	Mechanical & engineering equipment trading
293003	Refrigerators, Freezers & Water Coolers Manufacturing	Includes manufacturing refrigerators, freezers, water coolers for household and commercial and industrial use.	Industrial	Appliances and machinery manufacturing
513915	Refrigerators, Washing Machines & Household Electrical Appliances Trading	Includes reselling refrigerators, freezers, water coolers, washing machines and dryers, dishwashers, vacuum cleaners, ironers, heaters, also, electric kitchenwares such as mixers, mincers, cutters, blenders, toasters, juice extractors, grinders, kettles, small scales and other household appliances.	Commercial	Electronics group
514301	Reinforcement Steel Bars Trading	Includes reselling steel bars commonly used as a tensioning device in reinforced concrete structures holding the concrete in compression.	Commercial	Building materials trading
281110	Reinforcement Steel Fabrication	Includes the process of cutting stainless steel and malleable steel bars in different sizes and forms to produce cylindrical shapes, columns or nets used in reinforcing of buildings, constructions and other ferroconcrete works.	Industrial	Structural steel manufacturing
319001	Remote Control Systems Manufacturing	Includes manufacturing guiding devices for navigating flying or moving objects and such as planes, boats, vehicles and others by transmitted signals remotely controled systems.	Industrial	Appliances and machinery manufacturing
731004	Renewable Energy Engineering Consultancy	Includes conducting engineering consultancy and services regarding utilizing renewable energy specially winds, tidal waves, solar energy, hydrogen, as a clean alternative to traditional energy, it involves technical and economic feasibility studies, identify alternatives as well as preparing architectural designs and supervise execution.	Consulting	Consultancy -D- management, information and marketing

Activity Code	Activity Name	Description	Licence Type	Activity Group
749502	Repackaging & Refilling	Includes firms engaged in the repackaging and bottling of bulky solid or liquid products which are elsewhere manufactured, in consumer or commercial packs to make ready for final consumption or export.	Industrial	Packing services
153105	Rice Husking & Polishing	Includes removing husks from the paddy to render it consumable, it involves removing the protective layer surrounding the grain to produce brown rice, then removing the germ and bran layers from the grain to produce white rice.	Industrial	Foodstuff mills and packaging
281104	Rigs & Oilfield Platforms Manufacturing	Includes manufacturing metal and concrete offshore oil platform to extract and process oil and natural gas from offshore oilfields, these platforms usually contain facilities to house the workforce, they are either built on artificial islands, floating or fixed to the ocean.	Industrial	Structural steel manufacturing
742102	Road & Traffic Engineering Consultancy	Includes firms specialized in offering engineering services related to roads, traffic and their precise specializations. These services also include the elaboration of studies, designs, plans and technical specifications for bridges, tunnels, pedestrian accesses and motion studies etc.	Consulting	Other engineering services
172302	Ropes Manufacturing	Includes the manufacture of all kinds of ropes from fibrous materials such as cotton, jute, linen, paper, plastic, twine, including even the fiber glass. This includes processes of fiber curling, dyeing, packing and wrapping (Metal rope manufacturing is classified under class number 2899).	Industrial	Cotton & metal nets & ropes manufacturing
514927	Ropes, Sacks & Jute Bags Trading	Includes reselling of bags and ropes made of natural fibers, linen, plastic or other materials.	Commercial	Bags, backaging materials & paper trading
154908	Rose Water Bottling	Includes bottling rose water after distilling rose petals and water.	Industrial	Foodstuff mills and packaging
251901	Rubber Products Manufacturing	Includes manufacturing natural or artificial rubber products, such as mats, rubber rings and glass fixation requisites.	Industrial	Manufacture of tyres and rubber products
514911	Rubber Trading	Includes reselling natural and synthetic rubber to use in manufacturing such as tires, belts, bags shoes, synthetic sponge.	Commercial	Chemicals trading
513950	Saddles & Animals, Birds Training Requisites Trading	Includes reselling saddles, reins and accessories for horses, camels and other animals, involving veils, stands, straps and gloves for breeding and training.	Commercial	Sports equipment trading
742206	Safety Consultancies	Includes providing safety and vocational health services and consultancies, such as examination of construction or industrial machinery, non- destructive examination and inspection, issuance of certificates of safety and vocational health measures applied therein, elaborating technical and economic feasibility studies on these machinery and equipment, technical supervision of the repair works , designing safety instructions posters.	Consulting	Consultancy -D- management, information and marketing
261002	Safety Glass Manufacturing	Includes manufacturing safety glass either by laminating a plastic layer between two sheets of glass , or by tempered glass, such glass is safe in using in the automobile windshields as it break into rounded grains rather than sharp shards.	Industrial	Glass industries
369929	Safety Harness Fabrication	Includes fabricating harness from ropes, webbing and locking hardware in order to use in protecting persons or animals or objects from injury or damage when ascending or descending above or the underground.	Industrial	Personal requisities manufacturing
242911	Salt Cubes Manufacturing	Includes obtaining salt cubes by washing high quality solar salt with controlled brine for using in Water treatment, textile dyeing, salt agent for soap, weed killers, cattle feeds.	Industrial	Manufacturing of chemicals

Activity Code	Activity Name	Description	Licence Type	Activity Group
142203	Salt Packaging	Includes packaging salt in consumer packs and set for final consumption, it can be granulated, in cubes, or powdered, it should not involve any form of processing prior to packaging.	Industrial	Foodstuff mills and packaging
142201	Salt Refining	Includes refining table salt, which is extracted from salty waters or saltpeters, or produced by sea water desalination, and packaging for consumption purposes.	Industrial	Food industries
512222	Salt Trading	Includes reselling refined salt for food salting and preservation as well as skins of animals tanning and fishes salting.	Commercial	Floor mills
512208	Salted, Preserved Fish & Seafood Trading	Includes reselling of salted, dried or smoked fishes and seafood.	Commercial	Fish trading
514304	Sand, Gravel & Stones Trading	Includes reselling sand, gravel and stones for buildings construction and maintenance.	Commercial	Building materials trading
210905	Sanitary Napkins Manufacturing	Includes manufacturing ladies sanitary napkins made of cloth or synthetic disposable materials.	Industrial	Manufacturing of paper and paper products
514313	Sanitary Ware Trading	Includes reselling of sanitarywares, washbasins, bathtubs, lavatories taps, spigots, bathroom and kitchen articles (except furniture), as well as water drainage tubes, pipes, joints, drainage covering requisites and others.	Commercial	Electricals trading
515213	Satellite Receiving Equipment Trading	Includes reselling of systems and equipment receive radio and television transmission broadcasted by satellites or by special channels irreceivable by ordinary receivers or antennas.	Commercial	Mechanical & engineering equipment trading
154927	Sauces, Spreads & Condiments Preparation	Includes preparing and mixing of poultry, meat or vegetable based spice mixes and cooking aids in dehydrated or moisture form, including packaging in sealed packs, compressed cubes or tablets.	Industrial	Food industries
289305	Sawing Discs & Cutting Blades Manufacturing	Includes manufacturing linear cutting plates and blades, circular or semi-circular cutting discs and other sharpened cutting or sawing devices, either manually or by power - driven equipment and machinery.	Industrial	Other metal industries
201000	Sawmilling & Planning Of Wood	Includes workshops engaged in the sawmilling, cutting and latching of wood in order to produce boards, plywood and hardwood.	Industrial	Manufacturing of wood, wood products and Furniture
281105	Scaffolds & Ladders Manufacturing	Includes manufacturing temporary frames of metal pipes used to support people and materials in the constructions or repair of buildings, also attic ladder, bridge ladder, cat ladder, extension ladder , fixed and ladders portable .	Industrial	Structural steel manufacturing
514325	Scaffolds Trading	Includes reselling temporary frames of metal pipes or other materials, used to support people and materials in the constructions or repair of buildings.	Commercial	Building materials trading
514205	Scales & Dry Measures Trading	Includes reselling of electric and sensitive scales, dry measures and balance equipment used for weighing.	Commercial	Building materials trading
361003	School & Hospital Furniture Manufacturing	Include manufacturing all kinds of furniture used in schools, laboratories, hospitals and others, such as seats, tables, desks and beds, also other fittings, such as shelves, cupboards, display windows, platforms and others.	Industrial	Manufacturing of wood, wood products and Furniture

Activity Code	Activity Name	Description	Licence Type	Activity Group
515946	Schools, Hospitals & Laboratories Furniture Trading	Includes reselling furniture for schools, universities, educational institutes, hospitals, clinics, laboratories and others, including seats, tables, cabinets, desks, beds, shelves, safes, display windows, whether partially of wood, metal, plastic or fabrics, or totally made of cane and bamboo.	Commercial	Furnitures trading
742167	Science & Technology Consultancy	Includes offering counseling and drawing plans on science and technology as regarding water desalination techniques, nanotechnology, health, power technology, also, studying and analyzing the reports submitted by laboratories and other analysis entities in respond to requests by governmental and private bodies, such firms are not allowed to conduct field surveys and questionnaire before getting approval from the competent authority.	Consulting	Consultancy -D- management, information and marketing
515910	Scientific & Laboratory Equipment Trading	Includes the re-sale of all equipment, machinery and tools made of glass and used in scientific, medical and research laboratories.	Commercial	Mechanical & engineering equipment trading
515934	Sea Cleaning Equipment Trading	Includes reselling the specialized mechanical equipment designed to clean up and collect and remove marine floating debris, also the specially designed sifting devices to remove rubbish and other foreign matter form beach sand.	Commercial	Mechanical & engineering equipment trading
515959	Security Control & Alarm Equipment Trading	Includes reselling of security-related and monitoring equipment such as observation cameras, anti burglar, motion detectors, intercoms, alarms, access control, barrier gates, safes and security vaults.	Commercial	Mechanical & engineering equipment trading
515985	Security Devices, Equipment Trading	Includes reselling security devices and equipment utilized by governmental and private entities, such as security doors, metal detectors, surveillance devices, thermal binoculars, and police specialised equipment.	Commercial	Mechanical & engineering equipment trading
512101	Seeds Trading	Includes reselling plants, trees and flowers seeds and breeders for boosting agricultural output. This should be carried for only agricultural and industrial purposes and not for direct consumption.	Commercial	Agricultural
210906	Self Adhesive Labels Manufacturing	Includes the manufacture of self adhesivecommercial and advertising labels and signs. This includes recutting, printing and preparation for various purposes.	Industrial	Manufacturing of paper and paper products
154303	Sesame Halva Manufacturing	This covers the preparation of Sesame Halva which is made of sesame seeds under different stages and without any additions. The seeds are roasted, ground then filled for final consumption.	Industrial	Foodstuff mills and packaging
514934	Sewing & Embroidery Requisites Trading	Includes reselling of tailoring threads, buttons and needles, as well as embroidery golden and silver threads, tiny diamonds, colored ribbons and others.	Commercial	Ready made garments group
292601	Sewing Machines & Accessories Manufacturing	Includes manufacturing manual, electrical, electronic and computerized stitching and embroidering clothing, fabrics, shoes and leather products, whether a one person or Industrial sewing machines for automated process of stitching, it involves the needles and other accessories.	Industrial	Equipment and engines manufacturing
515950	Sewing Machines & Spare Parts Trading	Includes reselling manual, electrical, electronic and computerized stitching and embroidering clothing, fabrics, shoes and leather products, whether a one person or Industrial sewing machines for automated process of stitching, it involves the needles and other accessories.	Commercial	Mechanical & engineering equipment trading
171103	Sewing Yarn Manufacturing	Includes manufacturing yarn from natural or synthetic fibers for using in hand or machine sewing, crocheting, knitting or embroidery.	Industrial	Textiles & products manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
515969	Ship & Boats Spare Parts & Components Trading	Includes reselling of spare parts and components for ship and boats repair, maintenance, renovation and efficiency upgrading, including engines, ancillary engines, boilers, spindles, pipes, communication and measuring devices.	Commercial	Mechanical & engineering equipment trading
742158	Ship Engineering Consultancy	Includes preparing building designs and drawings, for ships, boats and similar transport means. It involves laying out detailed specifications of the materials required and providing the equipment and engines as per each type and its area of utilization.	Consulting	Other engineering services
515967	Ships & Boats Trading	Includes reselling different metal and wood commercial vessels used in transportation such as cargo ships, tankers, long and short distance passenger vessels, tourist, fishing boats and fish-processing factory vessels, recreation-type hovercraft, tugboats, also metal and wood rescue boats, fishing boats, recreation and sport boats.	Commercial	Mechanical & engineering equipment trading
513117	Shoe Trading	Includes reselling footwear made from leather, rubber or plastic and intended to protect and comfort the human foot while doing various activities.	Commercial	Ready made garments group
192001	Shoes Manufacturing	Includes manufacturing men and women footwear for different purposes and of any material, involving whole or parts of the footwear whether by the traditional manual process or mechanical.	Industrial	Manufacturing of bags, shoes and leather products
515939	Shop Fittings Trading	Includes reselling equipment and fittings for groceries, cooperative outlets, bookshops, kiosks and exhibitions and public shops, including, display shelves, goods storage shelves, counters, electronic promotion machines, also, trolleys, purchase recording equipment, cash safes, insect traps...etc.	Commercial	Mechanical & engineering equipment trading
361005	Shop Fixtures Manufacturing	Includes manufacturing fixtures in groceries, consumer complexes, bookshops, small shops and exhibition halls, such fixtures are shelves, goods preserving cupboards, counters and iron cupboards...etc.	Industrial	Manufacturing of wood, wood products and Furniture
281202	Silos Manufacturing	Includes manufacturing with galvanized steel storage silos for storage of grains and other products, including flat bottom silos, truck load silos, farm silos, hopper silos.	Industrial	Metal containers & boxes manufacturing
515996	Simulation Equipment & Systems Trading & Maintenance	Includes selling hardware and software that model and simulate the characteristics of the real processes, which will enable carrying out experiments on physical objects rather than on real objects, including flight, ships, trains and trucks simulators that are used for training performance optimization and safety.	Commercial	Mechanical & engineering equipment trading
192002	Slippers & Sandals Manufacturing	Includes manufacturing men and women open-sided slippers and sandals made for different uses and by any material, involving the traditional manual or mechanical processes.	Industrial	Manufacturing of bags, shoes and leather products
513116	Slippers & Sandals Trading	Includes reselling footwear made from leather, rubber or plastic and intended to protect and comfort the human foot while doing various activities.	Commercial	Ready made garments group
519005	Smelters & Furnaces Refractory Materials Trading	Includes reselling non-metallic materials having the properties of resisting high temperatures and are used in linings for furnaces, kilns, incinerators and reactors.	Commercial	Mechanical & engineering equipment trading
512203	Snack Food Trading	Includes reselling snacks packed in bags or well-sealed packs, such as potato chips or cheese balls...etc.	Commercial	Foodstuff trading
242401	Soap & Hair Care Products Manufacturing	Includes manufacturing hair care products like shampoo, oils, lotions, tonics, whether chemically originated or being natural extracts (herbs). Also included is manufacturing toilet and hand washing soap in bars and liquid, in addition toilet foamy soap and similar products.	Industrial	Manufacturing of chemicals

Activity Code	Activity Name	Description	Licence Type	Activity Group
513966	Soap & Hair Care Products Trading	Includes reselling hair care products like shampoo, oils, lotions, tonics, whether chemically originated or from natural extracts (herbs), also, toilet and hand washing soap in bars and liquid, in addition toilet foamy soap and similar products.	Commercial	Medicines trading
172103	Socks Manufacturing	Includes manufacturing men, ladies and sport socks from wool, cotton, nylon and polyester to use in protecting the foot and absorb sweat.	Industrial	Manufacturing of garments and rugs
512224	Soft Drinks & Carbonated Water Trading	Includes reselling sweetened and a flavored carbonated water as well as the plain carbonated water.	Commercial	Foodstuff trading
155403	Soft Drinks Manufacturing	Includes the manufacture of beverages and soft drinks mixed with flavors or fruit extracts.	Industrial	water manufacturing and bottling
722901	Software House	Includes firms specialized in computer systems software design, implementation, operation and maintenance based on analyzing the user's problems and his need for economical solution and the programs necessary for realizing such a solution, it involves designing application software designed to run on smartphones and mobile devices.	Consulting	Consultancy -D- management, information and marketing
515908	Solar Energy Systems & Components Trading	Includes reselling solar panels and slabs energy systems (photovoltaic) installed on tops and facades of residential and commercial buildings, or on the ground to generate power for use in water heating and cooling and energy supply.	Commercial	Mechanical & engineering equipment trading
311006	Solar Panels Assembling	Includes assembling solar panels (photovoltaic) which generate electrical power by converting solar radiation into direct current electricity.	Industrial	Appliances and machinery manufacturing
311005	Solar Panels Manufacturing	Includes manufacturing solar panels (photovoltaic) which generate electrical power by converting solar radiation into direct current electricity which can be directly consumed or can be stored in battery to use later.	Industrial	Appliances and machinery manufacturing
154909	Soup Manufacturing	Includes the manufacture of meat or vegetable soup and packing in metal or plastic cans for instant use, it includes also manufacturing the cookable soup powder as well as the flavors and creams.	Industrial	Food industries
741420	Sourcing & Procurement Consultant	Includes firms engaged in sourcing and procurement consultancies, including purchase analysis to determine where to achieve savings, point out the system defects to overcome, so as to minimize the cost, determine the purchases specifications and tender procedures, advise on purchasing sources by rendering to the best standards as might involve E-commerce .It also includes providing advice and assistance on purchasing retail goods such as clothing, perfumes and handbags and other products against fixed fee.	Consulting	Consultancy -D- management, information and marketing
741416	Spa & Fitness Clubs Consultant	Includes firms engaged in technical studying and consulting over investing in spa and fitness clubs, as regarding location and architectural design, technical and economic feasibility, operational and administrative analysis, and marketing and promotional plans.	Consulting	Consultancy -D- management, information and marketing
514330	Special Fabrics & Fibers for Construction Trading	Include reselling fabrics and fibers made of natural, artificial or synthetic or metal materials and used for specialized construction processes, such as molding and concrete forms made by cement injection or coating and covering of installations or tilings used in buildings and other construction works.	Commercial	Building materials trading
172901	Special Purposes Fabrics & Fibers Manufacturing	Includes manufacturing natural and synthetic fabrics and fibers, to use in tyre industry, or in casting concrete molds or cladding construction installations .. etc.	Industrial	Cotton & metal nets & ropes manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
292901	Specialized Industrial Machinery & Equipment Manufacturing	Includes manufacturing or assembling converting industry specialized machinery to install in factories and plants such as, foodstuff, weaving and spinning, paper, printing, oil refining, construction, mining and packaging machinery and equipment...etc.	Industrial	Equipment and engines manufacturing
519013	Specialized Photographic Equipment & Processing Materials Trading	Includes reselling films, chips, sheets, discs of radiography and photogrammetry as well as processing chemicals and photo papers.	Commercial	studio - trade license
292902	Specialized Precision Equipment Manufacturing	Include manufacturing of laboratory, surgical, medical examination, engineering drawing and oilfield test and analysis equipment.	Industrial	Equipment and engines manufacturing
513960	Spectacles & Contact Lenses Trading	Includes reselling spectacles and accessories, frames and multi-focal lenses, as well as contact lenses and eyewashes, sterilizers and optical and eye treatment devices.	Commercial	Medical eye glasses trading & eyes testing services
154907	Spices Packaging	Includes re-packaging dried and powdered spices, whether, pure or blended in well sealed consumer bags or packs and make ready for final consumption. This activity does not cover firms that are usually classified under No 5211-05.	Industrial	Foodstuff mills and packaging
512214	Spices Trading	Includes reselling of dried, packed or preserved spices, whether as raw or after having been roasted, ground, blended or packed.	Commercial	Floor mills
515964	Spinning & Weaving Equipment & Spare Parts Trading	Includes reselling machinery for various spinning and weaving processes, such as reelers, wrappers, looms, machines for making knotted net, textile printing, bleaching, dyeing, dressing, coating or impregnating textile fabrics.	Commercial	Mechanical & engineering equipment trading
291905	Split Air-Conditioner Manufacturing	Includes manufacturing the split units, whether or not linked with general central air-conditioning system.	Industrial	Appliances and machinery manufacturing
361006	Sponge Mattresses Manufacturing	Includes manufacturingmattresses internally fitted with sponge ofvarying density.	Industrial	Manufacture of mats and rugs
513926	Sponge Mattresses Trading	made of foam rubbers.	Commercial	Furnitures trading
251904	Sponge Products Manufacturing	Includes manufacturing of natural and synthetic sponge products, used in bathrooms, utensils washing, in packaging, and in manufacturing garments or other products.	Industrial	Manufacture of tyres and rubber products
251904	Sponge Products Manufacturing	Includes manufacturing of natural and synthetic sponge products, used in bathrooms, utensils washing, in packaging, and in manufacturing garments or other products.	Industrial	Manufacturing of chemicals
513941	Sport Equipment & Articles Trading	Includes reselling sports and fitness fixed equipment, including cycling bikes treadmills, ping-pong tables, other sports accessories, nets, spears, beech canes and games results calculators, also, equipment for exercising sailing, boat races, skiing, horse and camel races and any accessories used by sportsmen.	Commercial	Sports equipment trading
924122	Sport Research & Consultancies	Includes the provision of advice and assistance to sport clubs and organizations on organizational and development issues, such as strategic planning, financial planning and budgeting, marketing and advertising objectives and policies, sport psychology, human resources policies.	Consulting	Sport Club
515945	Sports Fields & Halls Equipment Trading	Includes reselling outdoor and indoor games articles and equipment for sports, gymnasium, fitness centre or athletic equipment.	Commercial	Mechanical & engineering equipment trading
369300	Sports Goods Manufacturing	Includes manufacturing of sporting and athletic articles and equipment for outdoor and indoor games, such as rackets, balls, fishing and hunting requisites, roller skates, gymnasium and fitness centers or athletic equipment.	Industrial	Personal requisities manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
513113	Sports Wear Trading	Includes reselling sportswear for exercising sports, including socks, shoes, hats, gloves, balls, bags and training suits.	Commercial	Sports equipment trading
181010	Sports Wears Manufacturing	Includes manufacturing men and women sportswear such as sweat shirts, sports jersey, boxer shorts, track pants and sports shorts...etc	Industrial	Manufacturing of garments and rugs
361007	Spring Mattresses Manufacturing	Includes manufacturing mattresses fitted with spring using wire coils.	Industrial	Manufacture of mats and rugs
261006	Stained Glass Forming	Includes manufacturing glass sheets by cutting stained glass to small pieces, fit them tightly together, by lead or any other mastic material, to form pictorial or decorative designs and then fix these sheets on frames made of wood, aluminum profile or any other metal profiles or lixon, this activity also includes any other industry related to stained glass forming.	Industrial	Glass industries
369902	Stamps Manufacturing	Includes manufacturing rubber, wood, steel stamps which are used primarily to authenticate documents and products.	Industrial	Stationary manufacturing
369910	Stationery Manufacturing	Includes manufacturing rulers, pencil sharpeners, rubbers and paper punching and wrapping tools which are operated manually or electrically.	Industrial	Stationary manufacturing
513904	Stationery Trading	Includes reselling stationery, such as copying and writing paper, notebooks, record books, various types of pens and pencils, rulers, sharpeners, paper perforators, paper clipping requisites, ready stamps, typewriters ribbons and other stationery materials, also, drawing requisites including geometrical drawing pencils, decorative pens, rulers, triangular rulers, colors, color pencils, ink, drawing paper and others.	Commercial	Stationary and books trading
271003	Steel & Alloy Products Cutting	Includes cutting carbon steel and alloy products to produce steel plates, structural beams, columns, angles, seamless and welded pipes.	Industrial	Casting of steel and iron
514202	Steel and Basic Steel Products Trading	Includes reselling of semi-formed made blocks, partitions, panels, rods, or ingots for various uses.	Commercial	Metals & its products trading
271002	Steel Bars Manufacturing	Includes manufacturing steel bars for structural reinforcement, or in industries engaged in fabricating various metallic products, such bars which are produced by means of remelting ingots and iron residues and scraps	Industrial	Casting of steel and iron
289935	Steel Cable Reels Manufacturing	Includes manufacturing of steel cables to use in packing cable and wire.	Industrial	Other metal industries
289918	Steel Fabrication & Welding Workshop	Includes the workshops involved in the fabrication of a variety of metal products by cutting, bending, and assembling processes, including metal frameworks or skeletons for construction, industrial frameworks in metal...etc.	Industrial	Steel workshop
281102	Steel Hangars & Sheds Manufacturing	Includes manufacturing of prefabricated buildings and steel structures used as factories, warehouses, airplanes hangars, sheds and other buildings and constructions. It also includes other related operations and materials transportation to work sites.	Industrial	Structural steel manufacturing
273101	Steel Pipes & Fittings Manufacturing	Includes cutting, forming and welding iron panels to manufacture steel pipes used in constructions and laying pipelines, the same is for the connectors and fittings.	Industrial	Pipes and wires manufacturing
273104	Steel Tubes & Fittings Manufacturing	Includes manufacturing steel and galvanized tubes, such as welded and extruded steel tubes, high pressure cast iron tubes and others, as well as connectors, knobs, angles and others.	Industrial	Pipes and wires manufacturing
289920	Steel Wool Manufacturing	Includes manufacturing Steel wool by broaching low-carbon steel for using as an abrasive in finishing and repair work for polishing wood or metal objects, cleaning household cookware.	Industrial	Other metal industries

# RAK FTZ BUSINESS ACTIVITY LIST

Activity Code	Activity Name	Description	Licence Type	Activity Group
513121	Sticks & Umbrellas Trading	Includes reselling sun-umbrellas, walking sticks, seat-sticks	Commercial	Ready made garments group
742137	Structural Quantity Surveying Consultancy	Includes firms which undertake surveying structural quantities in terms of sizes and prices, upon the basis of designs and structural specifications set for the construction of projects.	Consulting	Consultancy -B- Engineering
289202	Structural Steel Coating & Treatment	Includes firms which carry out coating of structural steel used in the support of concrete buildings with anti-erosion and rust-proof materials as protective means against effects of salts, humidity, chemical pollutants and others. This also includes pre-coating treatment of any holes or cracks in steel rods, or cutting and plying of rods according to the required specifications in order to form grids or support column molds, or to install the steel structures on site.	Industrial	Coating, insulations, seals & protection materials manufacture
281101	Structural Steel Manufacturing	Includes manufacturing steel structures for building and construction purposes such as structural steel used in constructing bridges, tunnels and communication and energy transfer towers.	Industrial	Structural steel manufacturing
515949	Structural Wire Rope Systems Trading	Includes reselling wire rope systems used in a variety of different structural and decorative applications, such as bridge suspensions, structural bracing, balustrades, banners, mast rigging, awning and fixture hangings.	Industrial	Mechanical & engineering equipment trading
154301	Sugar Candies Manufacturing	Includes manufacturing candies from a solution of sugar in water or milk, then flavorings and colorants are added	Industrial	Bread manufacturing
154202	Sugar Cubes Manufacturing	Includes preparing sugar cubes by wetting granulated sugar and pressing cubed moulds and the drying and packing.	Industrial	Food industries
154203	Sugar Packaging	Includes packaging refined sugar in consumer packs and set for final consumption, it can be granulated, in cubes, or powdered, it should not involve any form of processing prior to packaging.	Industrial	Foodstuff mills and packaging
512211	Sugar Trading	Includes reselling sugar, whether in bulk or consumer packs, in small packs or in small cubes.	Commercial	Floor mills
513945	Suitcases & Travel Requisites Trading	Includes reselling of various travelling leather, metal, plastic or textile and fabrics suitcases and bags, as well as luggage wrapping and transporting and any other item used only for travelling.	Commercial	Ready made garments group
191201	Suitcases Manufacturing	Includes the manufacture of suitcases from genuine leather and its substitutes, and other suitcases partly manufactured from leather, and suitcases manufactured totally from substitute materials such as plastic, aluminum, or woven fabrics.	Industrial	Manufacturing of bags, shoes and leather products
513961	Sunglasses Trading	Includes reselling darken lenses glasses used to prevent sunlight and high energy lights from damaging or discomforting the eyes.	Commercial	Medical eye glasses trading & eyes testing services
369301	Surfboards Manufacturing	Includes manufacturing surfboards using polyurethane or polystyrene foam and covered with layers of fiberglass, cloth and polyester in order to make light and strong enough to support wave riders.	Industrial	Ship building and repairing
749911	Surveying & Evaluating	Includes firms specialized in examining, and estimating immovables such as lands and buildings and movable such as goods, machines, equipment and furniture, for the various purposes like holding public auction sales, be it upon the disputant parties' desire or an assign by court, arbitration committee or any other administrative body.	Consulting	Consultancy -D- management, information and marketing

# RAK FTZ BUSINESS ACTIVITY LIST

Activity Code	Activity Name	Description	Licence Type	Activity Group
742105	Surveying Engineering Consultancy	Includes executing all types of engineering projects i.e. roads, bridges and drainage... etc., detail survey for engineering, planning and replanning purposes, demarcation of services lines, water lines, electric power lines, drainage, qibla direction demarcation, leveling for producing contour maps, grading and gate level, checking and verification of as built surveys.p	Consulting	Other engineering services
514316	Swimming Pools Trading	Includes reselling pools made from concrete, metal, plastic and fiberglass, and is intended for swimming or water based recreations or lifeguard training, including Olympic-size pools, and pools installed in public and private places, hotels, sport and health clubs, also other accessories and water pumps and drainers and electric fittings.	Commercial	Building materials trading
251902	Synthetic Sponge Manufacturing	Includes manufacturing synthetic sponge from its primary chemical substances, and set in pieces, cubes or panels useable producing mattresses, furniture, or in wrapping and packaging etc.	Industrial	Manufacture of tyres and rubber products
369913	Tailoring & Embroidery Requisites Manufacturing	Includes manufacturing requisites and accessories used in tailoring and embroidering such as buttons, threads and badges, emblems and marks to decorate garments and official uniforms or to use also in upholstering and curtain finishing.	Industrial	Personal requisities manufacturing
342004	Tanker Manufacturing	Includes manufacturing mobile reservoirs, tanks and similar containers of metal to transport water and petroleum products and which are designed to deal with a heavy sloshing load and the risk of collision or other accident.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
514317	Tanks & Silos Trading	Includes reselling storage tanks and reservoirs made of metal, plastic or reinforced fibres fixed in residential, commercial or industrial facilities fore water, petroleum products, chemicals or other liquids, also, grain, seed silos, truck mounted tanks are classified under No. 503005.	Commercial	Building materials trading
281201	Tanks Manufacturing	Includes the manufacture of vertical circular tanks constructed on ground surface or suspended on special support foundations, or horizontal tanks embedded underground and made of welded steel panels, to use for storage of water, oil derivatives, liquefied gas or other liquid substances, it0 does not include upper-buildings water tanks, as they are classified under activity number 2811-03	Industrial	Metal containers & boxes manufacturing
512122	Tanned Leathers Trading	Includes reselling of tanned and processed animal leather to render for industrial or any other use.	Commercial	leather trading
514105	Tar & Asphalt Trading	Includes reselling tar and asphalt derived from petroleum distillation for using in road paving and water and humidity proofing in buildings.	Commercial	Fuel and petroleum products trading
232004	Tar Manufacturing	Includes producing tar from coal, wood, petroleum or beat through destructive distillation to use in road paving and water and humidity proofing in buildings.	Industrial	Manufacture of petroleum products
154903	Tea Blending & Packaging	Includes blending different types of tea to produce specially flavored brands and then pack for final consumption.	Industrial	Foodstuff mills and packaging
512212	Tea Trading	Includes reselling tea, whether in bulk or consumer packs.	Commercial	Roastery

Activity Code	Activity Name	Description	Licence Type	Activity Group
741409	Technical Installations Consultancies	Includes offering technical consultancy services related to electronic installations, audio-visual systems, TV and radio production and lighting techniques to studios, theatres, conference rooms and educational laboratories. It involves determining the proper equipment, their descriptions, assessing their purchasing bids and the supervision over the technical execution.	Consulting	Consultancy -D- management, information and marketing
731005	Technological Aspects of Aircrafts Development	Includes providing experimental development directed primarily towards substantially improving the aircrafts systems in order to promote safety and preserve fuel and resources.	Consulting	Consultancy -D- management, information and marketing
322002	Telecommunications Equipment & Accessories Assembling	Includes assembling the parts and components to produce the equipment and hardware used for the purposes of the transmission of voice, data, text, sound, and video using a wired or wireless telecommunications infrastructure.	Industrial	Appliances and machinery manufacturing
322001	Telecommunications Equipment & Accessories Manufacturing	Includes manufacturing the equipment and hardware used for the purposes of the transmission of voice, data, text, sound, and video using a wired or wireless telecommunications infrastructure.	Industrial	Appliances and machinery manufacturing
515211	Telecommunications Equipment Trading	Includes reselling of equipment and systems used in operating fixed and mobile telecommunication networks, including exchanges, central switch boards, and mini switch boards located in commercial complexes, intercom systems, optic fibre and copper made inter connecting networks, microphones and internal paging systems. Telephone equipment are classified under 5134.	Commercial	Mechanical & engineering equipment trading
313003	Telecommunications Wires Manufacturing	Includes manufacturing metal and fiberglass wires used to carry telecommunication signals and data, such wires are used in telephony, TV and video, computer network and the internet, marine cables.	Industrial	Pipes and wires manufacturing
515206	Telephones & Telecommunications Equipment Trading	Includes reselling telephone sets and intercommunication equipment (intercom) and other telecommunication devices including fax and telex machines and internal switch boards.	Commercial	Electronics group
172101	Tents, Awnings & Tarpaulin Manufacturing	Includes making tents and awnings to use as shade from the sun in or protecting from rain in shops and buildings, also, covers and tarpaulin used to cover goods stored in open air or transported in vehicles.	Industrial	Textiles & products manufacturing
513122	Tents, Awnings & Tarpaulins Trading	Includes reselling tents and awnings for protecting used shops and building of sun and rain, also, covers and tarpaulin used to cover goods stored in open air, or to cover goods transported in vehicles, as well as fabrics and threads for mechanical or manual tailoring of these items.	Commercial	tents & tarpaulin trading
513101	Textile Trading	Includes reselling of textiles and fabrics used for sewing and fashion wear or making readymade garments.	Commercial	Ready made garments group
513123	Threads & Yarns Trading	Includes reselling all kinds of threads for tailoring and embroidering garments, curtains, drapery and upholstery, also, includes cotton and wool yarns used in weaving and spinning industries.	Commercial	Ready made garments group
514306	Tiles & Flooring Materials Trading	Includes reselling different kinds of tiles, mosaic, ceramic, cement and interlock tiles, marble tiles, granite and basalt tiles, also, flooring materials made of rubber, plastic, wood or fibres to cover buildings and vehicles floors.	Commercial	Building materials trading
514328	Timber Trading	Includes reselling timber prior to cutting into boards, bars or blocks to use in construction or in industry.	Commercial	Building materials trading

Activity Code	Activity Name	Description	Licence Type	Activity Group
289904	Tin Cans & Containers Manufacturing	Includes manufacturing cans and containers made of tin, aluminum, copper or any other metal.	Industrial	Other metal industries
210903	Tissues & Napkins Manufacturing	Includes the manufacture of tissue paper of all kinds such as facial tissue, kitchen towels, and toilet paper.	Industrial	Manufacturing of paper and paper products
151304	Tomato Paste Manufacturing	Includes making tomato paste by cooking tomatoes to reduce moisture, then straining them to remove the seeds and skin, and cooking them again to produce the thick paste	Industrial	Food industries
242409	Tooth & Mouth Care Products Manufacturing	Includes manufacturing the preparations for oral hygiene, including denture adhesive cream, cushions, pastes, cleansing tablets, brushes, dental plate powder, teeth whiteners, also, oral solutions, mouth moisturizers, mouthwash, mouth and throat rinse.	Industrial	Manufacturing of chemicals
741411	Tourism and Recreation Consultants	Includes specialized firms engaged in preparing marketing and feasibility studies along with the required surveys and field questionnaires, involving identifying opportunities for new tourist facilities and services, business plans and project evaluations programs, project management.	Consulting	Tourism Activities
172104	Towels Manufacturing	Includes manufacturing the absorbent textile towels are made from cotton, rayon and are used for drying or wiping.	Industrial	Manufacturing of garments and rugs
513933	Toys & Games Trading	Includes reselling children's toys and dolls, manual, electric or electronic games, bicycles, cars, boats, airplanes and other toys for children use.	Commercial	Ready made garments group
514109	Trading Crude Oil Abroad	Includes the trading process carried outside the UAE for the crude oil before processing and refining into more useful products.	Commercial	Fuel and petroleum products trading
514110	Trading Refined Oil Products Abroad	Includes the trading process carried outside the UAE for the oil products derived from converting crude oil in refineries, such as gasoline, kerosene, diesel, fuel oil	Commercial	Fuel and petroleum products trading
514213	Traffic Signs & Requisites Trading	Includes reselling of signboards in streets, roads and public squares to guide cars and pedestrians, whether all or partially non-metallic, also, traffic signals in streets and pedestrians crossings.	Commercial	Metals & its products trading
289903	Traffic Signs Manufacturing	Includes manufacturing traffic signs made of aluminum, sheet iron or other materials, used for road directions or traffic instructions, also guiding signs in public places and facilities, shops, hospitals, hotels, banks, parks, governmental offices and others.	Industrial	Other metal industries
342002	Trailers Manufacturing	Includes manufacturing the unpowered trailers which are pulled by a powered vehicle and which are used for transport of goods and materials or as mobile homes.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
503005	Trailers Trading	Includes reselling attached to trucks for transporting cargo and containers.	Commercial	Trading in motor vehicles and motorcyles
519030	Trains & Railways Construction & Fabrication Equipment Trading & Maintenance	Includes reselling specialized parts of railway construction and locomotives and rolling Stock maintenance, such as machines and supplies of welding, cutting, grinding, fabrication, power wire, signaling, clips, fasteners, axles and wheels, brakes, hooks and coupling devices, buffers, shock absorbers, wagon and locomotive frames, bodies, corridor connections.	Commercial	Mechanical & engineering equipment trading
515972	Trains Spare Parts & Components Trading	Includes reselling specialized parts of railway locomotives and rolling Stock, such as axles and wheels, brakes, hooks and coupling devices, buffers, shock absorbers, wagon and locomotive frames, bodies, corridor connections.	Commercial	Mechanical & engineering equipment trading

Activity Code	Activity Name	Description	Licence Type	Activity Group
741401	Transport Consultancies	Includes firms specialized in providing consultancies and studies on transport as regarding the means for smooth traffic flow, the effect of big projects on traffic, traffic lights timing control, advising on alternative streets and way outs at events times (exhibitions, competitions), fix the crossings and exits for the services streets.	Consulting	Consultancy -D- management, information and marketing
361010	Transport Furniture Manufacturing	Includes manufacturing seats and furniture fixed in airplanes, vehicles, yachts, ships and others.	Industrial	Manufacturing of wood, wood products and Furniture
512117	Trees Seedlings, Ornamental Plants & Annual Flowers Trading	Includes firms that resell plant palm, fruits and shade trees, seedlings like odorous plants, ornament plants, flowers, bulbs.	Commercial	Flowers and plants
504005	Trikke Scooters Trading	Includes reselling the three-wheeled electric scooters which is equipped with battery to produce power.	Commercial	Trading in motor vehicles and motorcycles
291915	Trucks Tarp Covering Systems Manufacturing	Includes manufacturing manual and automatic covering systems for loads in heavy and light trucks and trailers, the system incorporates manual and automatic mechanism to operate, so load dumping on roads is avoided as well as damaging other vehicles on the road by flying rubbish.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
289906	Trunks Manufacturing	Includes manufacturing large trunks for holding clothes and other personal belongings for extended periods.	Industrial	Metal containers & boxes manufacturing
742115	Tunnels & Bridges Engineering Consultancy	Includes providing services and consultancies related to land and subsea tunnel construction engineering, involving design, engineering geology and rock mechanics, geotechnics, geophysics, choice of machines and methods for excavation and ground support, it also involves engineering services bridge construction, including design and drawings and the cost, choice of structure and materials	Consulting	Other engineering services
291101	Turbines Manufacturing	Includes manufacturing the turbo machines that extract energy from fluids or gases and convert into rotational energy used in moving blades attached to rotors, such technology is applied in power generation, water pumps, ships, jet engines.	Industrial	Equipment and engines manufacturing
515954	Type Writers, Photocopiers & Spare Parts Trading	Includes reselling typewriters, photocopiers, stencil machines, microfilming machines, microfilm and projectors and copiers, as well as spare parts, ribbons, ink, chemicals and accessories.	Commercial	Mechanical & engineering equipment trading
300002	Typewriter Manufacturing	Includes manufacturing typewriters, stencil machines.	Industrial	Appliances and machinery manufacturing
503003	Tyres & Rims Trading	Includes reselling of various types of tyres and requisites including casings, rims and tubes.	Commercial	Auto spare parts trading
369906	Umbrellas & Awnings Manufacturing	Includes manufacturing hand umbrellas for protection against rain or sun, also, gardens or beaches large umbrellas, awnings fitted to windows or shop-windows, whether made of plastic, fabrics or other fibers or materials.	Industrial	Personal requisities manufacturing
513110	Underwear Trading	Includes reselling undergarments for men, women and children made of woven, knitted or crocheted fabric to be worn under other clothes, whether over or below the waist.	Commercial	Ready made garments group

513115	Uniforms Trading	Includes reselling readymade uniforms, such as military, hotels, airlines, school uniforms and others, as well as requisites including, hats, helmets, socks, gloves, shoes, ties, bags, badges and others.	Commercial	Ready made garments group

Activity Code	Activity Name	Description	Licence Type	Activity Group
291906	Unit Air-Conditioner Manufacturing	Includes manufacturing unitary and packaged terminal units usually placed in a window or wall opening with the evaporative unit on the interior and the condensing unit on the exterior, and they allow the cooling by drawing the heat from the room and discharged to the environment.	Industrial	Equipment and engines manufacturing
514933	Upholstery Requisites & Materials Trading	Includes reselling upholstery-related materials such as fabrics, leather, buttons upholstery to automobile and marine seats furniture and marine	Commercial	Furnitures trading
742113	Urban Planning Engineering Consultancy	Includes providing engineering services with regard to all or most of urban design branches and specialties such as urban and territory planning engineering, urban and environment design engineering. It involves drawing up studies, designs and charts concern the planning process, in addition to work out studies on areas allocation, future expansion potentials, considering proper systems for traffic, construction methods, city growth pattern and the harmony between buildings, topography... etc.	Consulting	Consultancy -B- Engineering
503004	Used Auto Spare Parts & Requisites Trading	Includes reselling the spare parts and components which cover the overall of the motor vehicle such as body parts and mirrors, brakes, suspension and steering, engine and drive train, exterior and interior accessories, headlights and lighting.	Commercial	Used auto spare parts trading
501004	Used Automobile Trading	Includes reselling used vehicles for passenger transportation, whether being used for short or long time.	Commercial	Trading in motor vehicles and motorcycles
501010	Used Automobile Trading for Export	Includes firms dealing in exporting used cars only, these firms are not allowed to open shops and sell cars directly to the public as the activity no. 5010-04 "Used Automobile Trading".	Commercial	Trading in motor vehicles and motorcycles
524005	Used Building Machinery & Equipment Trading	Includes reselling second-hand building and construction equipment and machinery for excavating, filling, demolition, earth leveling, road paving, cement mixing, as well as cranes, elevators and heavy objects lifts.	Commercial	Used heavy equipment trading
524007	Used Cloth & Personal Items Trading	Includes reselling used books, toys, CDs, tapes, clothes, shoes, leather items, hats and belts, the process involves sorting out according to quality and type and then packaging in bulks.	Commercial	Separate trading activities
524003	Used Electrical & Electronic Appliances Trading	Includes reselling used electrical refrigerators, freezers, water coolers, washing machines and dryers, dishwashers, vacuum cleaners, ironers, heaters, kitchen mixers, mincers, cutters, blenders, toasters, juice extractors, grinders, kettles, also, audio-visual electronic equipment, involving radio sets, gramophones, loud-speakers television and video sets, cinematography and television cameras.	Commercial	Used electronics & furniture trading
524001	Used Furniture Trading	Includes reselling second-hand furniture of any kind, any material for any place and various purposes.	Commercial	Used electronics & furniture trading
524006	Used Heavy Equipment & Machinery Trading	Includes reselling used heavy plants machinery and equipment, marine engines, lifting and loading equipment...etc.	Commercial	Used heavy equipment trading
524004	Used Household Utensils Trading	Includes reselling of various used household utensils and cleaning items	Commercial	Separate trading activities
524002	Used Jewellery Trading	Includes reselling second-hand adornment jewellery such as brooches, earrings, necklaces, bracelets, rings, which are made of gold, platinum, palladium, titanium, silver and gemstones.	Commercial	Separate trading activities
524008	Used Tires Waste Trading	Includes collecting and reselling used tires waste of vehicles and trucks, such as the inner steel belt or the outside rubber.	Commercial	Used auto spare parts trading

# RAK FTZ BUSINESS ACTIVITY LIST

Activity Code	Activity Name	Description	Licence Type	Activity Group
501005	Used Vehicles Trading	Includes reselling used vehicles and trucks for transporting goods, building materials and liquid tankers. . .etc	Commercial	Trading in motor vehicles and motorcycles
291202	Valves Manufacturing	Includes manufacturing valves fitted in engines, mechanical equipment and in oil, gas and water pipes, concern is paid to the engineering specifications regardless of the material involved in production.	Industrial	Metal containers & boxes manufacturing
151403	Vegetable Ghee Manufacturing	Includes hydrogenating vegetable oil and fat, producing vegetable ghee and artificial butter.	Industrial	Food industries
151401	Vegetable Oil Production & Refining	Includes squeezing out grains and seeds to produce vegetable oils, namely, corn, sunflower, soya oils, also to squeeze oils out garlic, lettuce and watercress . It involves purifying and packaging.	Industrial	Food industries
151404	Vegetable, Animal Oil & Fat Refilling	Includes refilling vegetable and animal oil and fats in metal, plastic or glass containers to make ready for marketing.	Industrial	Food industries
154107	Vegetables & Cheese Spring Rolls Manufacturing	Includes producing convenience vegetables and cheese spring rolls by pre- cooking and packaging and make ready to eat after heating.	Industrial	Food industries
512232	Vegetables & Fruit Trading	Includes reselling fresh vegetables and fruits prior to any drying or canning processes.	Commercial	Foodstuff trading
151302	Vegetables & Legumes Canning & Packaging	Includes preserving vegetables and legumes to avoid spoilage.	Industrial	Food industries
342001	Vehicle Bodies Manufacturing	Includes manufacturing vehicle bodies by means of cutting, fixing or welding using steel, metal or fibreglass or other material, also, making boxes for ambulances, security and ice cream vehicles.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
749505	Vehicle Liquids Bottling	Includes bottling or rebottling vehicles high temperature coolants and battery acids and water, in bulks or consumer packs.	Industrial	Packing services
343007	Vehicle Speed Limiter Assembling	Includes assembling the parts and components to produce the devices whose function is to control the fuel feed to the engine, in order to limit the vehicle speed to a preset value.	Industrial	Manufacture of motor vehicles, motorcycles & its spare parts
525105	Vehicles E-Trading	Includes firms specialized in conducting selling motor vehicles to the general public or to other businesses over the internet without needing any human interaction using any of the applications that rely on the internet, it involves coordinating with payment service providers which offer online electronic payments by a variety of payment methods including credit card, smart cards, digital money E-cash.	Commercial	
361015	Vehicles Upholstery	Includes providing vehicles seats with padding, springs, webbing, and fabric and leather covers	Industrial	Combing and upholstery
515922	Vending Machines Trading	Includes reselling vending machines located in public places for selling beverages and snacks, newspapers and publications, DVD's, cigarettes, photo booths, as well as paying public services charges such as Etisalat bills payment machines.	Commercial	Mechanical & engineering equipment trading
291907	Ventilation Equipment Manufacturing	Includes manufacturing central equipment to use in factories, workshops, and warehouses for air ventilation and purification of smoke, gases and scattered solid particles, the same is also for household fans and exhaust fans.	Industrial	Equipment and engines manufacturing
513919	Ventilators & Fans Trading	Includes reselling units used in ventilating residential facilities and offices like electric fans and ventilators as well as ducts, towers, ventilation flues, chimneys and silencers.	Commercial	Not Grouped

Activity Code	Activity Name	Description	Licence Type	Activity Group
742163	Vertical & Horizontal Transportation Systems Consultant	Includes providing consultancies and services on analyzing and establishing standards on vertical and horizontal transportation systems e.g elevators , escalators , moving walks , for moving people and materials in public places and factories, services include determining design and installation standards, providing shop drawing review, prepare opinions on costs and timetables, as well as modernizing existing installations.	Consulting	Consultancy -D- management, information and marketing
515948	Veterinary Equipment & Instruments Trading	Includes reselling equipment and instruments used to deal with the prevention, diagnosis and treatment of disease, disorder and injury in domesticated or wild animals.	Commercial	Veterinary equipment trading
252010	Video Cassettes Manufacturing	Includes manufacturing blank magnetic and optical recording media for visual materials recording, including tapes, cassettes, diskettes, discs.	Industrial	Plastic industries
513970	Video Games Consoles Trading	Includes reselling video games consoles which enable visual playing when connected to video devices such as televisions, computers, mobile devices and phones, such consoles involve PlayStation, Xbox ...etc.	Commercial	Electronics group
154912	Vinegar Manufacturing	Including the manufacture and repackaging of all kinds of vinegar whether from salt or fruits or other chemical compounds.	Industrial	Food industries
269909	Wall Coating Materials Manufacturing	Includes manufacturing non-metallic materials for coating internal and external walls, like pastes, fillers and various mortars, stones and minerals whether they are cut and processed or formed in panels or slabs.	Industrial	Block and building stones industry
514322	Wall Paper Trading	Includes reselling wallpaper in different designs to cover cracks and decorate interior walls in residential and commercial facilities.	Commercial	Furnitures trading
293004	Washing Machines & Dryers Manufacturing	Includes manufacturing washing and drying machines for household and commercial and industrial use.	Industrial	Appliances and machinery manufacturing
741414	Waste Management & Recycling Consultancy	Includes firms specializes in providing professional advice on how to manage and monitor waste materials, whether to reduce their effect on health and environment or to obtain the ISO accreditation, it involves advising on eliminating waste through resources recovery practices like recycling materials.	Consulting	Consultancy -D- management, information and marketing
513927	Watches & Clocks & Spare Parts Trading	Includes reselling watches, clocks, alarm clocks and timing mechanisms, instrument panel clocks, time-recording equipment and equipment for measuring, recording and displaying intervals of time such as parking meters, time clocks, process timers, also, all the accessories and components.	Commercial	Electronics group
333000	Watches & Clocks Manufacturing	Includes manufacturing watches, clocks, alarm clocks and timing mechanisms, instrument panel clocks, time-recording equipment and equipment for measuring, recording and displaying intervals of time such as parking meters, time clocks, process timers, also, all the accessories and components.	Industrial	Appliances and machinery manufacturing
515928	Water Cooling & Heating Equipment Trading	Include reselling central coolers and boilers for cooling or warming water in buildings, factories and hotel, as well as water coolers in hospitals, schools, mosques and other public places.	Commercial	Mechanical & engineering equipment trading
515923	Water Desalination Equipment Trading	Includes reselling equipment involved in the large or limited scale sea water desalination to produce fresh water suitable for human consumption or irrigation.	Commercial	Mechanical & engineering equipment trading
291904	Water Filters Manufacturing	Includes manufacturing or assembling filtering and purifying water of impurities, salts or chemicals systems and equipment and related fittings and requisites, whether the water is for industrial or household uses.	Industrial	Equipment and engines manufacturing

Activity Code	Activity Name	Description	Licence Type	Activity Group
514337	Water Heaters Trading	Includes reselling household water heaters operated by electricity and solar energy.	Commercial	Building materials trading
514945	Water Treatment & Purification Chemicals Trading	Includes reselling the chemicals which purify water by assisting in the removal of the organic and inorganic particles suspended in water, it involves coagulants such as aluminum sulfate and iron chloride	Commercial	Chemicals trading
291922	Water Treatment Equipment Assembling	Includes assembling domestic and industrial water treatment and purification equipment such as deep filters, reverse osmosis plants, ultra filtration plants, UV disinfection systems, ozone systems, ion exchange plants	Industrial	Equipment and engines manufacturing
291924	Water Treatment Equipment Manufacturing	Includes manufacturing domestic and industrial water treatment and purification equipment such as deep filters, reverse osmosis plants, ultra filtration plants, UV disinfection systems, ozone systems, ion exchange plants.	Industrial	Equipment and engines manufacturing
515927	Water Treatment Equipment Trading	Includes reselling domestic and industrial water treatment and purification equipment for domestic use or irrigation, it involves deep filters, reverse osmosis plants, ultra filtration plants, UV disinfection systems, ozone systems, ion exchange plants.	Commercial	Mechanical & engineering equipment trading
742106	Water, Sewage & Irrigation Engineering Consultancy	Includes providing engineering consultancies and services with regard to water, sewage and irrigation, including water purification plants and lines and reservoirs, sewer disposal plants and systems.	Consulting	Other engineering services
513939	Wax Candles Trading	Includes reselling candles made from paraffin wax for lighting and decoration	Commercial	Ready made garments group
722903	Web-Design	Includes firms specialized in designing the pages of the electronic services sites, the internet is used here as infrastructure.	Consulting	Consultancy -D- management, information and marketing
273203	Weighing Materials Manufacturing	Includes manufacturing the traditional different size apparatus for weighing.	Industrial	Other metal industries
289914	Welding Bars Manufacturing	Includes manufacturing welding bars of lead and pewter alloys which have low melting points.	Industrial	Cotton & metal nets & ropes manufacturing
515941	Well Drilling Equipment Trading	Includes reselling well drilling equipment to get ground water whether through manual, percussive or rotary digging techniques.	Commercial	Mechanical & engineering equipment trading
515212	Wireless Equipment & Instruments Trading	Includes the resale of wireless communication equipment, including mobile and fixed units, massaging devices or inter- communicative mobile unites, also, ground stations receiving information or communication or any transmission oriented by satellites.	Commercial	Mechanical & engineering equipment trading
514308	Wires & Cables Trading	Includes reselling insulated and un-insulated connecting wires and cables used in electric conductors, telephone lines and cables, except optic fibers activity which is under No. 513615	Commercial	Electricals trading
201003	Wood Drying & Processing	Includes processing wood taken from trees to make useable in construction or furniture and interior decoration making, it involves drying wood to reduce moisture by air or kiln, the degree of drying depends on the purpose of use.	Industrial	Manufacturing of wood, wood products and Furniture
202301	Wooden Boxes & Containers Manufacturing	Includes the manufacture of boxes, cages, barrels and other wooden containers. It also includes containers made of palm branches, bamboo, fronds, cane and other similar materials.	Industrial	Manufacturing of wood, wood products and Furniture
202205	Wooden Cable Reels Manufacturing	Includes manufacturing of wooden cables to use in packing cable and wire	Industrial	Manufacturing of wood, wood products and Furniture

Activity Code	Activity Name	Description	Licence Type	Activity Group
202203	Wooden Decor Products Manufacturing	Includes the manufacture of woodworks used in internal design (decor) such as oriels, partitions, stair and balcony rails, soles, vaults as well as other similar wooden products other than furniture and wood fixtures.	Industrial	Manufacturing of wood, wood products and Furniture
202201	Wooden Doors & Windows Manufacturing	Includes manufacturing wooden doors and windows and accessories, whether traditionally styled or bullet and blast resistant styles.	Industrial	Manufacturing of wood, wood products and Furniture
201002	Wooden Pallets Manufacturing	Includes fixing wooden parts and boards to make pallets for conveying equipment, cargo and containers in factories and storage compartments.	Industrial	Manufacturing of wood, wood products and Furniture
514329	Wooden Products Trading	Includes reselling wooden or wooden doors, windows, staircase fences, windows, false ceilings, indoor decoration and other wooden products.	Commercial	Building materials trading
351201	Wooden Ships & Boats Manufacturing	Includes firms whose activities are mainly related to the building of ships and wooden boats, including traditional, such as goods and passengers ships and boats, fishing ships, (traditional Arab Abra), sports boats, or modern and wooden ships, also, reparation, re-building and maintenance.	Industrial	Ship building and repairing
512112	Wool & Animal Hair Trading	Includes reselling cut animal wool and hair before making any converting process, also, bird feathers.	Commercial	Animal skin trading
261003	Wool Glass Manufacturing	Includes manufacturing glass wool by the fusion of a mixture of sand and recycled glass, and is produced in rolls or in slabs fire resistant and thermal insulator to use in construction insulation and ducting.	Industrial	Glass industries
515904	Workshop Equipment, Machinery & Spare Parts Trading	includes reselling of workshops cutting, welding, balancing, pressure gauging and other equipment and machinery, also, any other equipment and machinery for carpentry, smithery, lathe workshops, auto and electronic workshops.	Commercial	Mechanical & engineering equipment trading
514209	Workshop Hardware & Tools Trading	Includes reselling workshops hammers, rasps, chisels, pincers, welding rods, as well as other hardware and tools used in carpentries, smithery and auto workshops.	Commercial	Building materials trading
171102	Yarn, Textiles Dyeing & Processing	Includes dyeing and preparing sewing yarns for tailoring ready-made garments. Besides dyeing of textiles, cotton and wool fabrics and others, it includes preparing, cutting, tailoring and sewing to manufacture ready-made garments.	Industrial	Textiles & products manufacturing
152004	Yogurt Manufacturing	Includes manufacturing yogurt by produced by bacterial fermentation of milk then sugar and fruits and other materials are added.	Industrial	Food industries
514111	Diesel Fuel Trading	Includes reselling diesel fuel, not directly to customers, but to industrial and commercial corporations for fuelling vehicles, ships, planes or in industrial or marine equipment, this activity neither involves petrol station which is classified under activity No. 505001, nor the firms that practice the activity no. 505002.	Commercial	Fuel and petroleum products trading
515102	Software Trading	Includes reselling the set of application software and its documentation concerned with realizing the user's needs and problems, and is applicable in different domains, medicine, accounting, engineering.	Commercial	Electronics group
369928	Wig Making	Includes making males and females wigs and toupees from real and synthetic hair, it involves all the processes of sewing, sorting, shaping and cleaning.	Industrial	Personal requisities manufacturing
